Proposal: DC, CC, FC parking

Information: Council officers received a request from the Ministry of Foreign Affairs and Trade for a diplomatic parking space for the diplomatic corps of The Embassy of the United Arab Emirates.

The Embassy, situated in Waring Taylor Street, finds it increasingly challenging to locate available parking for diplomatic vehicles in the vicinity. This is causing operational difficulties.

The provision of an on-street diplomatic park will support the daily operations of the Embassy and other embassies within the area.

Net parking loss: 1 – metered park to diplomatic park
