### **Advertising Costs**

Thank you for your request made under the Local Government Official Information and Meetings Act 1987 (the Act), received on 22 July 2021 and extended on 19 August 2021. You requested the following information:

- A detailed breakdown of how much Wellington City Council has spent on advertising each year for the past five years. (2016-2021)
- A breakdown of exactly what the council was advertising and the associated cost for each advertisement over the past five years.
- A breakdown of each method of advertising used over the past five years. For example: how much was spent on pamphlets, facebook ads, signage, and influencers on social media. Plus what was being advertised via each method.

Attached is a spreadsheet breaking down the advertising spend for Wellington City Council from the financial years 2016 – 2021. Please note that some of these companies provide services outside of core advertising.

The coding for invoices is not centralised and is undertaken by each team. Due to this, we are unable to provide a breakdown of method of advertising and are refusing this under section (17)(g) of the Act [information not held].

### **Right of review**

If you are not satisfied with the Council's response, you may request the Office of the Ombudsman to investigate the Council's decision. Further information is available on the Ombudsman website, [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz).

Please note, we may proactively release our response to your request with your personal information removed.

Thank you again for your request, if you have any questions, please feel free to contact me.

Kind regards

Claudia Holgate  
**Assurance Advisor**
