REPORT 3

**FORRES STREET, SEATOUN
SECOND SUPPLEMENTARY SUBMISSION**

I oppose recommendations 2a, 2b, 2c, 2d.

Reasons for my opposition:

**To stop this Unformed Legal Road part of Forres Street
would:**

- eliminate any chance of Wellingtonians and Wellington
City Council ever putting this site to a future public use.**
- allow to fall into private hands a part of “NATURAL
WELLINGTON”.**
- over-ride the compelling and far-sighted submission of
Living Streets Aotearoa that to sell the Unformed Legal
Road, would eliminate future options for the use of this
public land.**

**To stop this part Unformed Legal Road part of Forres Street
could result in the decision being appealed to the
Environment Court.**
