Wellington City Council
(by hand).

Re: Draft LAP consultation.

~~I do~~ This is a submission on behalf of Mineura Communications.

I do not support the proposals contained in the draft LAP. I believe a greater emphasis on personal responsibility is needed in Wellington. Having lived in Hamburg Germany as a University student, I would like to urge the Council to take a more liberal approach to alcohol, while cracking down on those causing trouble at night.

I wish to speak to this submission. ~~re~~
