**Details of Submission:**

**The specific provisions of proposed District Plan Change 83 that my submission relates to are as follows** (Give details below - please continue on separate sheet(s) if necessary)

Option 4.  
MAXIMUM EXPANSION

**My submission is that...**

(You should include whether you support or oppose the specific provisions or wish to have them amended. You should also state the reasons for your views. Please continue on separate sheet(s) if necessary.)

I fully support option 4 maximum expansion of the South Face on the grounds that is the best option looking at long term.

2 and 3 in particular lessen the use of the asset and take no notice of the need to proceed on this line 2 and 3 'water down' the project and add to the costs in the long term. Item 1 is not a serious option.

**I seek the following decision from Council** (please give precise details.)

I would support some 'green belts' as are proposed but only if they do not lessen the full use of the asset.

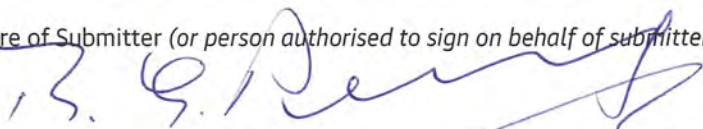

I would be interested in any details of such a proposal.

**If you have used extra sheets for this submission, please attach them to this form and indicate this below:**

Yes, I have attached extra sheets.

No, I have not attached extra sheets.
