Reference: TR 79 – 15

Location: Grant Road - Thorndon

Proposal: Residents parking, at all times

Information: Council officers received a request to review the parking outside 177 Grant Road with a view to extending residents parking. Currently there is only one residents' park and approximately 27.5m of no stopping lines up to the intersection with Aorangi Terrace.

Upon site visit and completion of assessment, it is found possible to add another park by reducing the length of the no stopping lines. Officers propose to extend the residential bay by 6 metres.

Net parking gain: 1 – add one residents park
