Swim Membership Information

We recognise that regular swimming can be costly, so if you use our pools often (three or more times a week) we are now able to offer you the option of applying for a swim membership. If you're interested, your first step is to decide whether you'd like a monthly or yearly swim membership.

**Monthly** swim memberships are paid by direct debit and have no long-term contracts except for a minimum joining period of two months. They can't be suspended, but they can be cancelled in writing if received by the WCC before the 15th of the month. Other terms and conditions are detailed on the application form.

**Yearly** swim memberships require payment in full within 5 days of membership starting. Payment can be made by credit card over the phone - phone 801 4403 or visit your facility. Your membership card will be available when payment is received in full. These memberships can be suspended once a year for a minimum of two weeks and maximum of three months. There is a $100 cancellation fee if the membership is cancelled before the year is completed. Other specific conditions are detailed on the application form.

Here are the swim membership prices. Each membership entitles you to swim at any of Wellington City Council's seven swimming pools.
