South Coast Kids Track

‘a place for kids (and adults) to learn basic biking skills in a safe location’
Location and layout
Getting it off the ground

- Team to drive project (local parents)
- Engaged with Council
- Linked with Wellington MTB Club
- Pursued funding sources
- Meetings with local residents
Construction

- Three days with a digger
- Tweaking and tidying up (inc. glass)
- Surfacing
- Planting
The end result

Lessons learned

- Good mix of skills important
- Tap into existing knowledge & resources (WMTBC)
- Build a community of interest (social media)
- Build relationships - Council, local groups, schools
- Engage with local residents (not our best work)
- Tap into a range of funding sources
- Back yourselves!!
