
ORDINARY MEETING

OF

TAWA COMMUNITY BOARD

MINUTE ITEM ATTACHMENTS

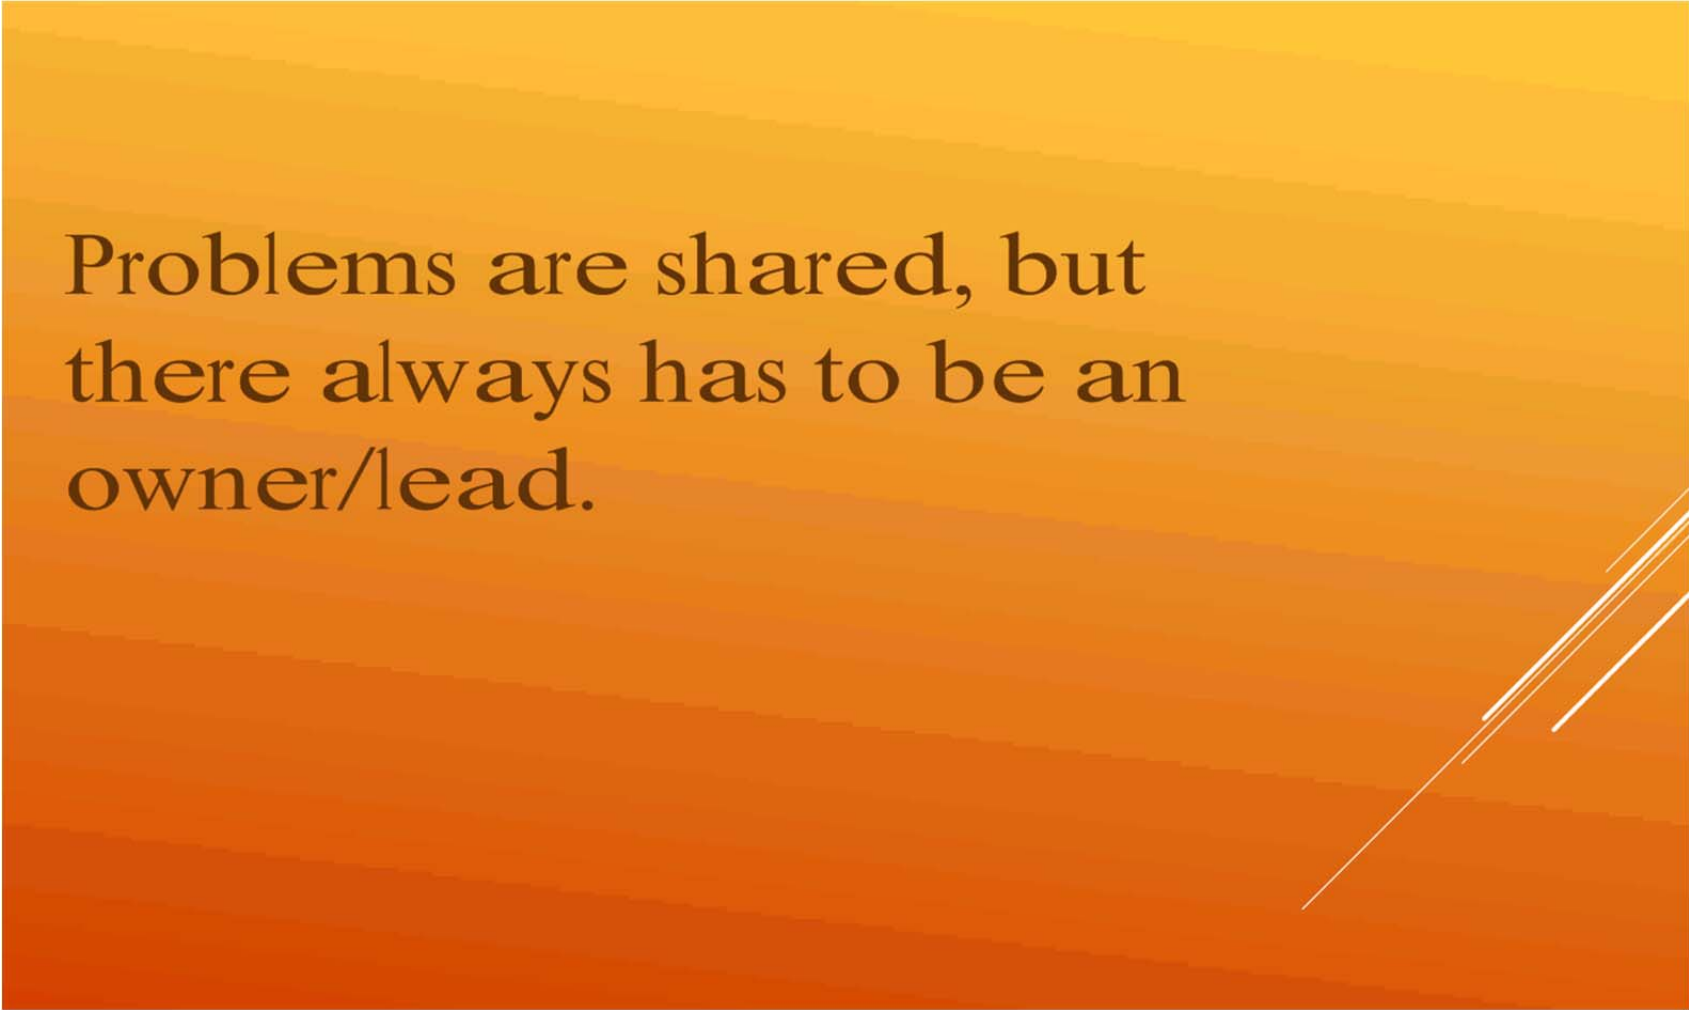

Time: 7.00pm
Date: Thursday, 12 November 2015
Venue: Tawa Community Centre
5 Cambridge Street
Tawa
Wellington

Business	Page No.
2.1 Policing in Tawa	
1. Problem Orientated Policing	2
3.2 Tawa Town Centre Plan - Consultation	
1. Tawa Town Centre Plan Presentation	10
3.3 Porirua Outdoor Recreation Park Development Plan - briefing on public feedback	
1. Analysis of submissions received to the Porirua outdoor Recreation Park Development Plan	19

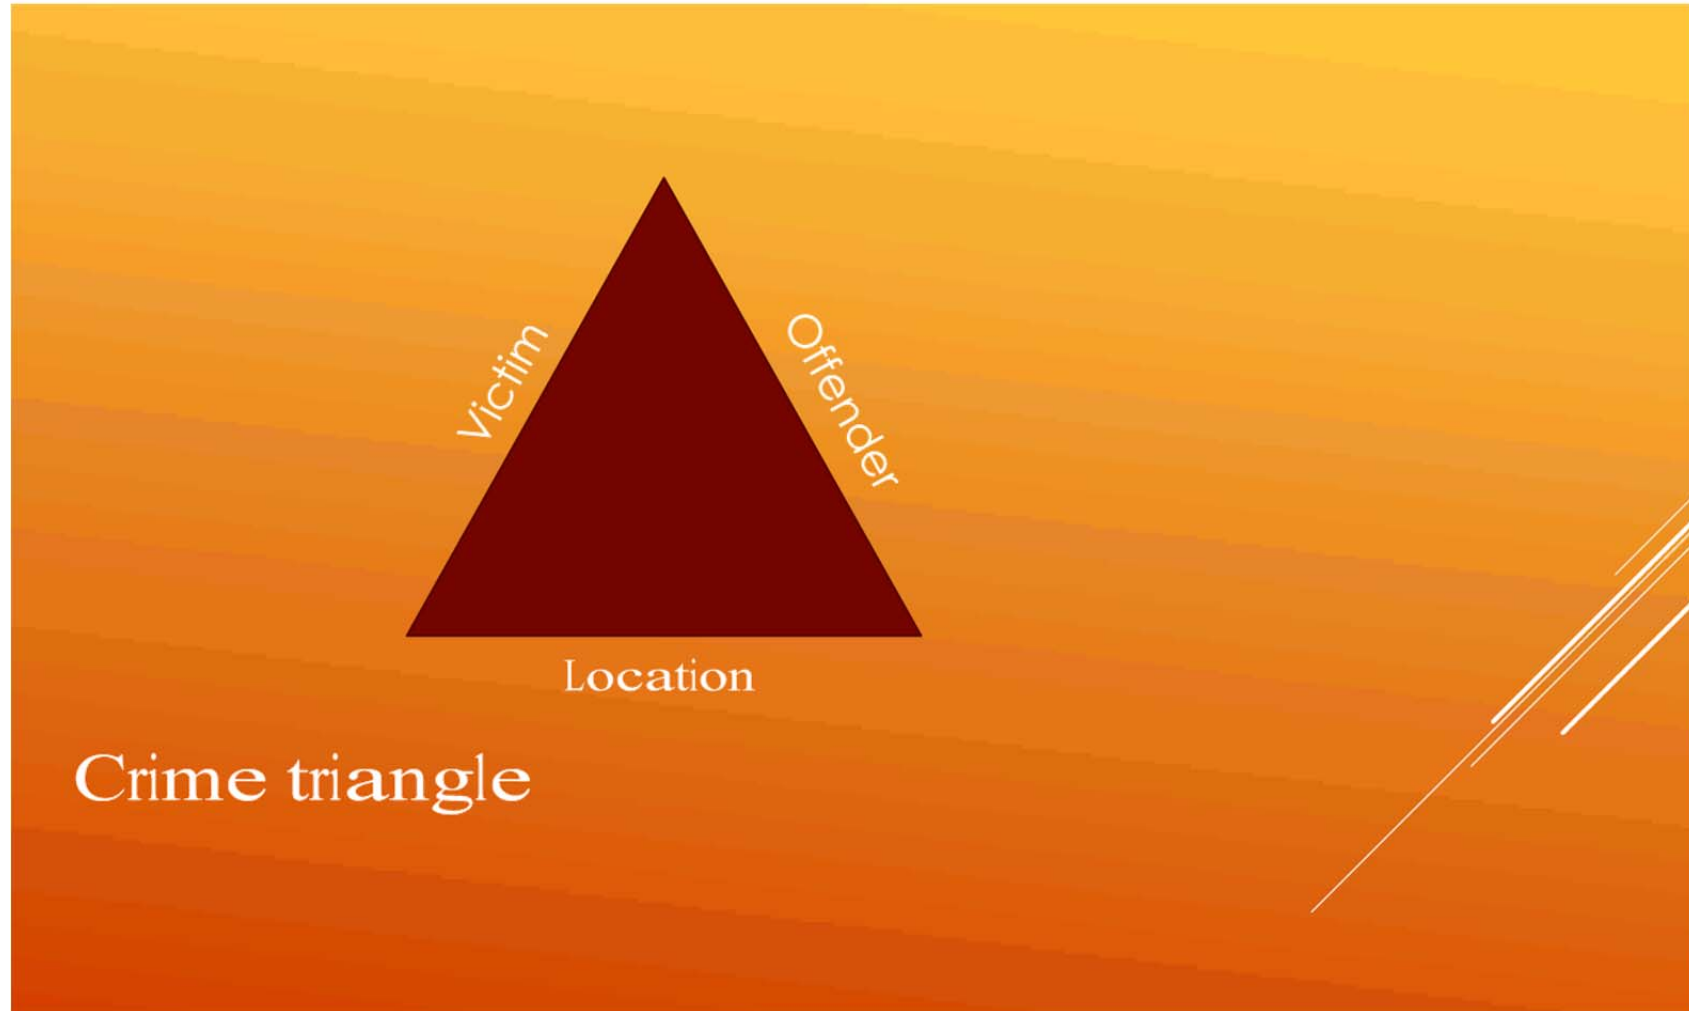

PROBLEM ORIENTATED
POLICING

“You can’t arrest your way
out of problems.”

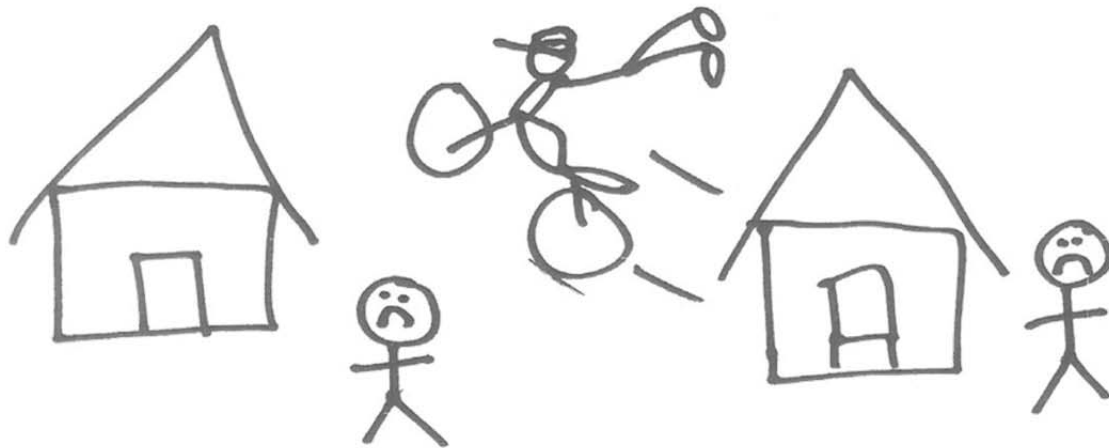

Problems are shared, but
there always has to be an
owner/lead.

Scenario ①

Tawa Town Centre Plan

Lucie Desrosiers

Tawa Community Board 12 November 2015

Previous consultation

- Poor economic performance
- Image of the centre
- Traffic conflicts

strengthen identity

Create gateway features

- We can create visible gateway features at either end of the town centre, such as artwork, planting or signage
- We can change pavements, planting and other street features.

Example of a gateway feature at Cambridge Street roundabout

Zephyrometer: gateway artwork near Wellington Airport

3 Lighting and colour

- We can add lighting to landmarks such as trees or buildings
- We can add colour with planting, flags, murals and other devices.

Example of feature lighting trees

Local mural and colour improvements

Help improve shop fronts

- We can support improvements to verandahs and signage; including consistent colours and styles for the centre.

Consistent signage can improve shop fronts

Examples of improved shop fronts

Improve public spaces

Existing Tawa Plaza

Plan for Tawa Plaza area

5 Upgrade the space in front of the Plan.B building

- Extending the Tawa Plaza to create a better public space may involve new paving, seating, lighting, planting and possibly closing the lane next to The Pink Pineapple. This will create a sheltered and sunny public space.

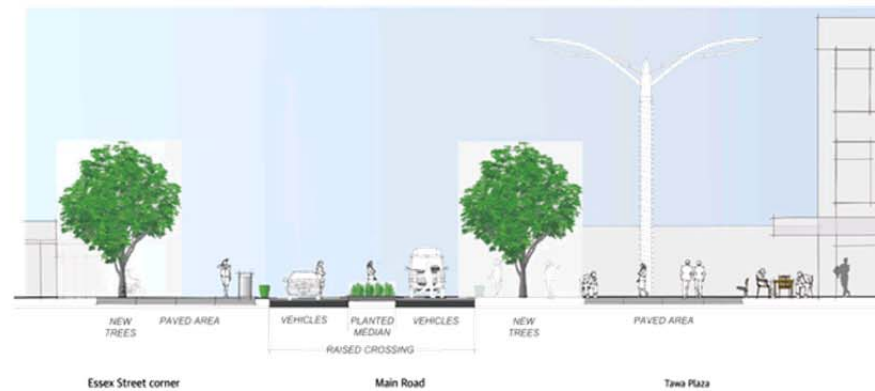

6 Raise the pedestrian crossing

- Raising the pedestrian crossing between the Plaza and Essex Street side will improve connections, slow the traffic for pedestrians, and signal the 'heart' of the centre.

7 Reconfigure the Essex Street access

- Changing the kerbs and planting trees at the Essex Street intersection will improve pedestrian amenity and safety.

Cross-section: raised pedestrian crossing, plaza and footpath

Manage traffic

Example of raised pedestrian crossing

Example of planted median

Traffic management: improved traffic flow with roundabouts

8 Create a new roundabout

- A new roundabout at the Main Road and Surrey Street junction would help slow traffic and make it safer for Surrey Street traffic to turn north.

9 Create formal pedestrian crossings

- Pedestrian crossings would make movements safer and help reduce vehicle speeds.

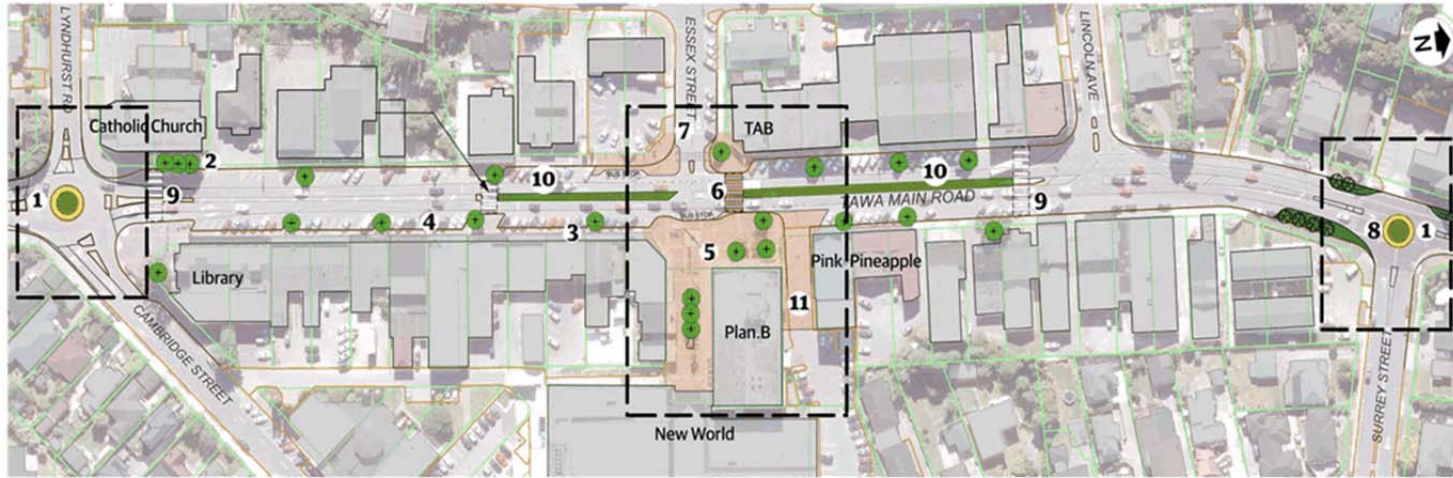

10 Raise and plant central median

- A raised central median reminds motorists to drive carefully through the busiest part of the town centre, and helps create an attractive environment.

11 Close the lane next to The Pink Pineapple

- Closing this lane would re-direct traffic from Main Road, and remove vehicles from the pedestrian hub around the plaza, including the possible new space.

All potential improvements

Concept plan

Strengthen identity

- 1** Create gateway features at town centre entrances
- 2** Light landmarks such as trees or buildings
- 3** Add colour throughout the centre
- 4** Help improve shop fronts, verandahs and signage

Improve public spaces

- 5** Upgrade the space in front of the Plan.B building
- 6** Raise pedestrian crossings
- 7** Reconfigure the Essex Street access

Manage traffic

- 8** Create a new roundabout
- 9** Formalise pedestrian crossings
- 10** Raise and plant the central median
- 11** Close the lane next to The Pink Pineapple

Consultation events

Drop-in sessions:

- Tues 17 Nov 11-2pm and 5-7pm
- Wed 18 Nov 11-2pm and 5-7pm
- Thurs 19 Nov 11-2pm

Public meeting:

- Tues 1 Dec 7-9pm

All at Tawa Community Centre

Next steps

- Summarise feedback
- Investigate preferred options
- Develop draft Town Centre Plan
- Consult on draft Plan
- Adopt Plan
- Seek to bring forward \$1M budget (from FY2018/19) and get additional funding if needed
- Undertake works

Porirua Outdoor Recreation Park – Results of consultation

352 submissions were received.

Please select the activities you undertake in the areas covered by the park

Walking – 181

Jogging /running – 83

Mountain biking – 206

Horse riding – 61

Dog Walking – 66

Picnicking – 31

How often do you visit?

Weekly – 152

Monthly – 84

A couple of times a year – 67

About once a year - 15

How much do you agree or disagree with the proposals for the outdoor recreation park?

Agree or strongly agree – 261

Agree with some parts and disagree with others – 66

Disagree or strongly disagree – 9

Neither agree or disagree – 4

Spicer Botanical Park is proposed to be the main entrance with improved facilities

Agree or strongly agree – 193

Agree with some parts and disagree with others – 73

Disagree or strongly disagree – 91

Neither agree or disagree – 31

A network of new trails is proposed – How much do you agree or disagree?

Agree or strongly agree – 253

Agree with some parts and disagree with others – 55

Disagree or strongly disagree – 14

Neither agree or disagree – 12

All the proposed activities are non-motorised. Do you agree with this proposal?

Agree or strongly agree – 271

Agree with some parts and disagree with others – 56

Disagree or strongly disagree – 10

Neither agree or disagree – 13
