Youth Council

Terms of Reference – June 2014

1. Purpose of Youth Council

- Assist and advise the City Council on how to help grow a great City where young people thrive and contribute to the City Council’s priorities.
- Bring extra insight to Council (a youth perspective) to solve problems facing a changing world.
- Develop the capabilities of its members (including leadership and engaging wider youth).

The Youth Council will not be seen as representing all young people in the City.

2. Expectations

Members will be accountable for their efforts to provide:

- Constructive advice – on City Council projects and policies, where possible identifying evidence and solutions, whilst taking into account the wider needs, issues and views of young people.
- Communication – engage with the City Council and a range of young people from communities to increase information flow and build knowledge of Council processes to increase involvement of young people in Council decision-making and Civic life. This could include Youth Council-led engagement projects when agreed by the City Council.
- Involvement of communities - work with council staff to help City Council involve more young people in the setting and meeting of city-wide objectives. The City Council is ultimately responsible for full community consultation.

The specific work areas where members will contribute will be set out in the annual work programme. The work programme will be finalised reasonably quickly and in a collaborative way. That annual work programme will be determined jointly between the Youth Council, Council officers, Chair of the appropriate Committee and Councillor representative. This will take into account the Council’s priorities as well as the skills, experience, interests and commitments of Youth Council members. This will enable members to have early input into the City Council’s work.

Council officers will report back to the Youth Council on how advice was considered, and whether or not officers and councillors chose to act on that advice, with reasons given at the appropriate time through e-mail and at Youth Council meetings.

1. Objective

The objective of the code is to enhance:
- mutual trust, respect and tolerance between members as a group and with Councillors and Council staff
- the credibility and accountability of the Council within its communities.

The following is the standard of behaviour that is expected from members of Wellington City Council reference and advisory groups.

2. Relationships with others

Members will conduct their dealings with each other, and elected members, in ways that:
- are open, honest and maintain integrity
- focus on issues rather than personalities
- avoid aggressive, offensive and abusive conduct
- maintain confidence in their group.

3. Relationships with Council staff

The effective performance of the group also requires a high level of cooperation and mutual respect between members and Council staff. To ensure this is maintained, members will:
- treat all employees with courtesy and respect (including the avoidance of aggressive, offensive or abusive conduct towards employees)
- observe any guidelines that the Chief Executive puts in place regarding contact with employees
- not do anything which compromises, or could be seen as compromising, the impartiality of an employee
- avoid publicly criticising any employee in any way, but especially in ways that reflect on the competence and integrity of the employee
- raise concerns about employees only with the Chair of the group, who will then decide whether to raise the issue with an appropriate senior Council officer
- not seek to improperly influence staff in the normal undertaking of their duties.

4. Contact with the media

Groups may have the opportunity to input into a number of different initiatives and for consistency, it is important that a single point of contact is established to respond to any media enquiries.
- All media enquiries shall be redirected to Council staff.
- If it is agreed with Council staff that it is appropriate for a view to be expressed by the group, only the Chair, or the Chair’s proxy, can represent the group to the media. The Chair will work with the Council’s External Relations team in relation to any public comments.
- Views expressed to the media on behalf of the group must have been previously agreed on by the group as a whole.
• If a member is contacted by a journalist for a view from their group, they must refer the journalist to the Chair or Co-Chair.

• Members are free to express a personal view in the media or the view of other organisations of which they are a member, at any time. However, they must make clear that these represent their private views as an individual, or the view of their organisation.

5. Confidential Information

In the course of their duties members will receive information that they need to treat as confidential. This will often be information that is either commercially sensitive or is personal to a particular individual or organisation.

Members should be aware that failure to observe confidentially will impede the performance of Council and could expose the Council to prosecution under the Privacy Act 1993 and/or civil litigation.

6. Individual queries

Members will not bring individual issues to their advisory groups that can best be dealt with by going through the Council’s Service Centre.

7. Honesty and Integrity

Members have a duty to act honestly. They must declare any private interests relating to their duties and take steps to resolve any conflicts of interest in such a way that protects the public interest. They must not act in order to gain financial or other benefits for themselves, their families, friends or business interests.

8. Complaints

Any complaints about other group members, officers or Councillors should be addressed confidentially to the Chair who can then raise the issue with relevant Council officers.
Appendix C: Recruitment and Selection Process

Wellington City Council will call for expressions of interest from 14-24 year olds from within the city’s boundaries via a number of different media. Young people interested in being a Youth Council member will complete an application.

Annual Intake
After having called for expressions of interest and a given application period, the Youth Council can shortlist applicants for interviewing, when agreed by the Chair and Council officer who will select shortlisted applicants. Interviews will be conducted based upon a shortlist of applicants, who will be interviewed by the Youth Council Chair, Deputy Chair and one Council officer.

Replacement of Vacancies
Should vacancies arise, the Youth Council may recruit from previously shortlisted applicants to bring the full number of members back to 20.
