Colonial Knob
- Substantial areas of the landform are within Porirua City District
- Seen as a prominent, rugged, rural skyline backdrop from the Porirua Stream Valley
- Seen as a complex series of ridge spurs from Ohariu Valley
- Seen as a distant skyline landmark from elevated locations throughout the district
- Pattern of exotic pasture on the main summit and spur crests with some regenerating vegetation and plantation forestry on the steeper flanks.

Mill Creek Hill
- Rural landscape context
- Typical of the open, pastoral Ohariu Valley character
- Rolling summit skyline landmark
