This plan divides the Town Belt into nine geographic sectors for ease of management and understanding by local communities. Each sector recognises the differences in topography, vegetation, uses and communities of interest in the Town Belt. These sectors are:

1. Te Ahumairangi Hill
2. Kelburn Park
3. Aro Valley/Polhill Gully
4. Brooklyn Hills
5. Macalister Park
6. Golf Course/Mt Albert
7. Newtown/Crawford Road
8. Hataitai Park
9. Mt Victoria/Matairangi

This section describes the features of each geographic area and existing uses. The proposed additions to the Town Belt are identified as well as some of the boundary adjustments. Potential management of landscape, ecology and biodiversity, cultural and historic values and recreation facilities are discussed. The draft policies are specific to each sector. The general policies should also be referred to.

There are four supporting maps for each sector showing:

1. context
2. current uses (eg recreation facilities)
3. landscape and existing vegetation
4. management and projected future changes.

These maps are at the end of each sector.
