This map shows parks, reserves, tracks, playgrounds and sports fields. Recommended improvements are listed. General improvements to parks and reserves are outlined in blue text in the lower right corner of this map.

Major improvements are listed below specific parks.

General Improvements
- Provide information about Parks and Reserves and recreation opportunities.
- Examples include playgrounds, links through parks, tracks open for mountain biking.
- Provide information on websites.
- Improve on-site signage.

Improve trail links
- Signpost links through parks.
- Negotiate access with developers.
- Identify new track links from new subdivisions (Note new tracks funding stalled until 2012)
- Talk with community about names for parks in Woodridge.

Recommendations
- Consider future options.
- Integral part of network.
