

Purpose

To provide an update on Board activities and priorities actioned by its members and note public feedback.

Update to 19 August 2024

Planning

Roading, Transport

Email responses provided by members to local residents regarding roading concerns.

Youth Development

Community Development

A Community-Board organised Pot-Luck dinner was held here at the Tawa Community Centre on 18th August. Conversations with Tawa Residents' Association and the Tawa BID regarding creating a combined resource to be shared with the community at Spring into Tawa.

Waste Management, Carbon Reduction

We are working with Council's Behaviour Change team to provide a Bike Space pop-up at the Tawa Community Centre in the coming months.

Economic Development

Public Spaces

A member of the public queried the consultation around the new Peace Labyrinth going in Coronation Park. This is a Rotary funded project designed in conjunction with Tawa College students. Council have apologised about the oversight in process and have confirmed any future community-led proposals within parks will go through a public engagement process.

Note the installation of a barbeque facility at Wall Park largely due to hard work by community groups in collaboration with WCC.

Water / Resilience

Governance

Three members of the Community Board are attending the Community Board Conference held in Wellington at Tākina on Thursday 21st and Friday 22nd August.

Feedback, requests, complaints received
