1. Meeting Conduct

1.1 Karakia

The Chairperson will open the hui with a karakia.

Kia hora te marino	May peace be widespread.
Kia whakapapa pounamu te moana	May the sea be like greenstone;
Hei huarahi mā tatou I te rangi nei	a pathway for all of us this day.
Aroha atu, aroha mai	Let us show respect for each other,
Tātou i a tātou katoa.	love for one another.

At the appropriate time, the following karakia will be read to close the hui.

Kia whakairia te tapu	Restrictions are moved aside,
Kia wātea ai te ara	so the pathway is clear to return to
Kia turuki whakataha ai	everyday activities.
Kia turuki whakataha ai	Let us be united.
Haumi e. Hui e. Tāiki e!	

1.2 Apologies

The Chairperson invites notice from members of apologies, including apologies for lateness and early departure from the hui, where leave of absence has not previously been granted.

1.3 Conflict of Interest Declarations

Members are reminded of the need to be vigilant to stand aside from decision making when a conflict arises between their role as a member and any private or other external interest they might have.

1.4 Confirmation of Minutes

The minutes of the meeting held on 17 June 2024 will be put to the Tawa Community Board for confirmation.

1.5 Tawa Community Board Service Award

A Tawa Community Board Service Award may be presented.

1.6 Public Participation

A maximum of 60 minutes is set aside for public participation at the commencement of any hui of the Council or committee that is open to the public. Under Standing Order 3.23.3 a written, oral or electronic application to address the hui setting forth the subject, is required to be lodged with the Chief Executive by 12.00 noon of the working day prior to the hui concerned, and subsequently approved by the Chairperson.

1.7 Items not on the Agenda

Any item not on the agenda may only be discussed if a motion to discuss the item is passed by a unanimous resolution of the hui; and:

1. The item is a minor item relating to the general business of the local authority; and
2. The Chairperson explains at the beginning of the hui, at a time when it is open to the public, that the item will be discussed at the hui but no resolution, decision or recommendation may be made in respect of that item except to refer that item to a subsequent hui for further discussion; and

3. The Chairperson explains to the hui why the item is not on the agenda and the reason why discussion of the item cannot be delayed.

Details of Report

This report has been prepared by the Manager of Transport & Infrastructure for the Tawa Community Board and covers off roading infrastructure items of interest for the local community.

Version	Date	Author	Title

Foreword

From the Manager – Maintenance and Renewals

As we progress into the new financial year the program of work continues to grow.

The amount of work happening in the Wellington regions is high, which is great to see. With a new Long Term Plan along, we are now concentrating on programming our works for the foreseeable future.

To coordinate this work in our city, council operates a program called forwards works viewer and the CAR system. These are systems that contractors are able to place their jobs in and it will identify program clashes. With a high number of sites being required from different contractors, we find planning, programming, coordination and collaboration are becoming far more important as windows to move projects become scarce.

Projects such as the minor safety improvements, Wellington Water jobs and Wellington Electricity works are all having an impact on regular road maintenance programmed works. Maintenance works such as carriageway resealing, footpath renewals and road stabilization jobs are key to ensure our roads and pedestrian networks continue to be maintained and operate at an acceptable standard.

Our focus remains the same, that is to deliver effective transport network to help make our city more liveable by easing commute and transportation needs and increasing accessibility.

I hope that this report covers off the requirements of the community in advising how we are progressing with work related to the Tawa community. I welcome any comments or suggestions regarding this report.

Nga mihi,

Kylie Hook

2. Report on items of interest

2.1 Upcoming roadworks activity

The following table is a list of all resurfacing that we are planning for Tawa for the 2024/25 year. These sites are reliant on network availability and budget availability. Once our engineers validate the sites, a more detailed program can be provided for maintenance. The community will see parts of roads and footpaths marked in white paint as part of engineers validation process.

Resurfacing Remedial sites that are under investigation from the 2021/22 financial year;

Main Road – Linden Avenue to Gee Street to Wall Place intersection

Excessive moisture from the base layer is affecting the road, creating “rutting” and seal failures.

We suspect excessive ground water issues. It could take up to 3 months for results from investigations, but this will align with warmer weather for any road repairs.

Works affecting footpath/pedestrians/driveways.

In addition to the annual roadworks above, we are also planning the following minor works in Tawa in 2024/25 financial year:

- **Main Road/Cambridge** – Roundabout Improvements under design detailed below.
- **Wellington wide speed limit review (SMP)** - speed reduction throughout the entire region - this has been removed from scope and is no longer occurring. Our road safety engineers are open to conversations and considerations on areas of interest for Tawa Board and wider Community.
- **Transport Structures Team** - are currently investigating strengthening McLellan Street Bridge – no definitive plan as yet

Planned Project works affecting the roads for 2024/25 year.

- Road Maintenance & Resurfacing Program (Blue)
- Event Spring into Tawa planned on Saturday 19 October 2024 (Main Road Closure)
- Oxford Street Watermain Renewals (Pink) – Construction planned for 2027/2028
- Tawa 33kV Cable Replacement (Pink) – Construction planned in 2026-2028
- Main Road/Cambridge Street Intersection Improvements (Green)
 Construction timeframe: mid-September 2024 for 8 weeks

2.2 Previous Mentions

Main Road slip – Work Complete

Following the February 2022 slips the Wellington Region was hit with heavy rain falls in August 2022 affecting Tawa area with Main Road being the worst affected.

Streetlighting Spigots – Work Complete

The Council provides over 19,000 streetlights throughout the city. Of these lights, half are mounted on council owned poles and half are mounted on Wellington Electricity poles. The electricity cables and lines that supply the network are principally owned and maintained by Wellington Electricity.

Knuckle adaptors (spigots) were fitted to streetlights to allow greater tilt to the lamp and have since been removed and complete as of December 2024.

2-10-16 Forglen Place Paperwork has been submitted for livening.

Peterhouse Street last 2 streetlights need to be completed, work is scheduled to start on the 18th August 2024.

1 Chella Way and 7 Rossiter street still need to be livened, waiting on paperwork.

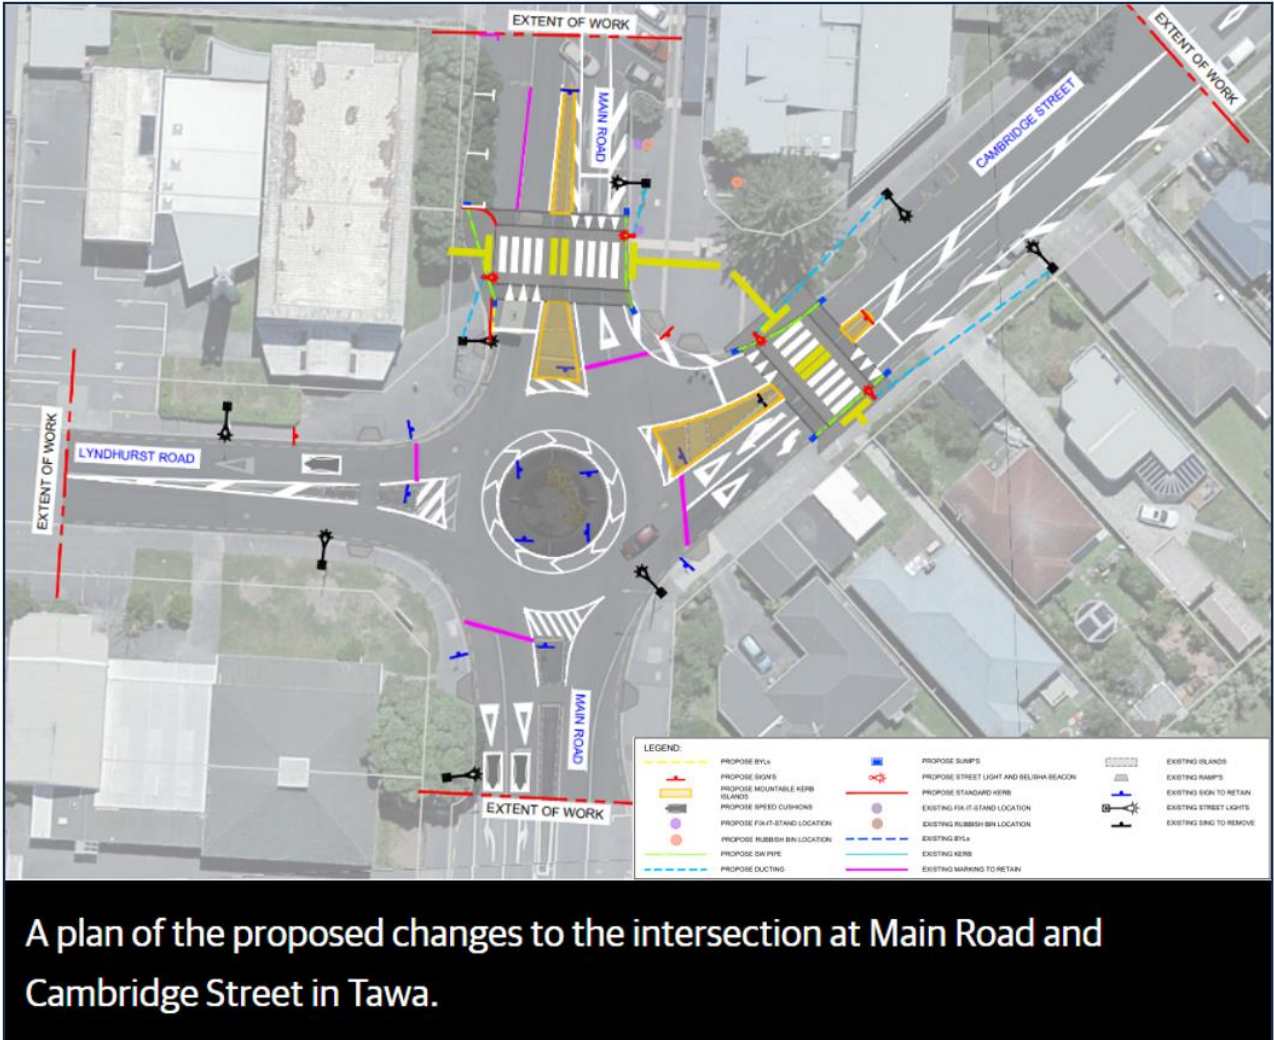

2.3 Main Road Roundabout

Tawa Roundabout as proposed

Website has been created and will go live in August 2024, this is to inform the public of the project and construction period.

- Detail Design - Completed
- Contractor's Works Agreement - In progress
- Website - Go Live 1 August - In Progress
- Community Engagement- meeting with Tawa Business Group & FENZ - 2nd week August
- Construction Start - Late September

- Construction End - Mid October/Early November

Authoriser	Sean Johnson, Democracy Team Leader

Taunakitanga | Officers' Recommendations

Officers recommend the following motion

That the Tawa Community Board:

1. Receive the information.

Whakarāpopoto | Executive Summary

2. This report to Tawa Community Board is to approve by resolution the spending of the Tawa Community Board Discretionary Fund.

Takenga mai | Background

3. The Tawa Community Board's Discretionary Fund is administered by Wellington City Council and totals at \$18,249.96 effective from 1 July 2022.
4. At every Board meeting, the Board decides whether to make any payments from its Discretionary Fund for projects that directly benefit residents or organisations in Tawa.
5. The payments are authorised by passing a resolution stating the amount of the payment/s, what the payment/s is to be used for and who it is they are going to.
6. The Board does not invite applications to the discretionary fund.
7. In February 2020 the Board clarified that they would not consider requests by families or individuals for memorials, including those of former Board members. The discretionary fund is seen as being primarily to meet local community needs.
8. As the fund is discretionary, there is no commitment by the Board to repeat funding to any group in future from this pool, even if regular payments have been made in the past.
9. The Board agreed that it may retrospectively approve funds of up to \$500 for one-off activities to cater for immediate needs via reimbursement. The retrospective vote will take place at the next Board meeting.
10. Accruals are for the cost of work completed by 30 June but not yet paid for. These must be for specific items or organisations.
11. Funds cannot be spent other than for the purpose(s) specified in the Board's resolution.
12. Members, who require reimbursement from the fund for approved expenditure, are to supply receipts and details of the expenditure on the reimbursement form.
13. Reimbursements will be paid on a monthly basis. Details and receipts need to be provided, preferably within two months of expenditure.
14. The Council officer will track Board resolutions which approve expenditure from the fund, and any accountability requested by the Board.
15. Motions requiring direct payment to an organisation or business will be actioned by the officer and in conjunction with the Chair, shall ensure an appropriate level of detail is kept on record.
16. Funds given to groups or organisations will require an appropriate level of accountability, with proof of expenditure and accompanying details of use reported back to the Board within six months.
17. Groups or organisations who have not previously received funds from the Board will be asked to provide evidence of good financial practice, or oversight from another established and trusted organisation.

Kōrerorero | Discussion

18. The Finance Team, in discussion with Democracy Services, have advised the following:
 - a) Once the General Ledger is closed off for the year ending 30 June, it is not possible to allocate transactions to the previous year's Discretionary Fund. In real terms, this

means that any manual payment forms (reimbursements, donations et cetera) received after 22 June or invoices received after 24 June will be paid out of the next year's Discretionary Fund.

- b) Unspent Tawa Community Board Discretionary Funds are not able to be carried over to a future financial year.
- 19. Attachment One is the annual breakdown of spending for the financial period of 2024/2025.
- 20. The current balance for the financial period of 2024/2025 is \$18,249.96.

Ngā mahinga e whai ake nei | Next actions

- 21. Allocation of the fund is a reoccurring item on the Tawa Community Board agenda at each Board meeting.

Takenga mai | Background

Actions Tracking

4. Council adopted the new 2022/2025 triennium Terms of Reference and Delegations on 16 November 2022.
5. In addition to delegations from last triennium, the community boards have been delegated the power within their community to:
 - Name right-of-ways under section 319A of the Local Government Act 1974, in accordance with Te Māpihi Maurea Naming Policy.

- Name reserves under section 10 of the Reserves Act 1977, in accordance with Te Māpihi Maurea Naming Policy.
 - Approve leases, subleases, and easements for all Council-owned land that is either open space under the District Plan, or reserve under the Reserves Act 1977.
 - Make all decisions requiring Council or committee approval under the 'Leases Policy for Community and Recreation Groups'.
 - Establish dog areas, such as those described in the Wellington Consolidated Bylaw 2008 (clause 5 of Part 2: Animals).
 - Temporarily close roads for events under clause 11(e), Schedule 10 of the Local Government Act 1974 and the Transport (Vehicular Traffic Road Closure) Regulations 1965.
 - Recommend to Council whether to proceed with a road stopping and disposal of a stopped road, including if appropriate any related acquisition, disposal, or exchange of land.
 - Consider and recommend to Council any notification by the Minister of Lands that a road is stopped under section 116 of the Public Works Act 1981, and the disposal of the stopped road.
6. Decisions made in these areas are captured as part of actions tracking.
 7. The community boards have the full power to make decisions in these areas.
 8. The purpose of this report is to ensure that all resolutions are being actioned over time. It does not take the place of performance monitoring or full updates. The board could resolve to receive a full update report on an item if it wishes.

Forward Programme

9. The forward programme sets out the reports planned for to go to the Board for consideration in the next two hui.
10. It is a working document and is subject to change on a regular basis.
