The conference was addressed by Judge Hole (Liquor Licensing Authority), Bruce Robertson (Hospitality New Zealand), Basia Arnold (Ministry of Justice) and Ian Crowe (on planning for the Rugby World Cup). The conference was also attended by a number of members of the New Zealand Police who are involved in liquor licensing matters.

## Agency meetings and hearings

There have been no hearings of the District Licensing Agency this year.

## 2(a) **AGENCY INITIATIVES (NEW)**

### Make it a holiday to remember – ease up on the drink

The focus of this year's marketing campaign was around encouraging people to drink responsibly and enjoy the festive season. We were able to adapt the Alcohol Advisory Council of New Zealand (ALAC) national campaign,

'Ease up on the drink'. Messages were placed in adshells in key positions around the city and on city transport buses to promote the message.

## 2(b) AGENCY INITIATIVES (ONGOING)

### Police and DLA newsletter

Wellington Police and the DLA need to communicate information on important policing, legislative and process issues quickly and efficiently to licensees and managers.

The agency continues to circulate an electronic newsletter to registered email recipients. The newsletter alerts licensees and managers to current DLA and policing issues such as disorder, intoxication, licence conditions and aspects of the Sale of Liquor Act. Five newsletters were issued over the 2011–2012 financial year. Membership is actively promoted by the agency.

### Wellington City Council liquor licensing webpages

The main features of the liquor pages ([Wellington.govt.nz/services/liquor](http://Wellington.govt.nz/services/liquor)) on the Council's website include:

- an overview of liquor licensing and application forms for each type of licence and certificate
- guides for applicants
- the agency's annual reports
- links to the Wellington City Council Liquor Licensing Policy, Footpath Management Policy and gambling consents
- details of the Wellington City 24/7 liquor ban under the Wellington Consolidated Bylaw 2008 (Part 4 – Liquor Control).

### Tertiary education

The DLA continues to focus on tertiary providers, and regularly attends teaching sessions where students are working on completing unit standards for the hospitality industry. Key messages for students and staff centre around host responsibility in relation to the Sale of Liquor Act (SOLA).

## 3 WELLINGTON'S LIQUOR LICENSING POLICY

### The aim of the policy

The policy aims to provide a framework for consistent decision-making about the sale and supply of liquor in Wellington City, with the intent of reducing alcohol harm. It balances community expectations about how alcohol is made available to consumers with legislative requirements.

The policy allows the Council to fine-tune the application of the Sale of Liquor Act 1989 through its own activities and those of the Liquor Licensing Authority (LLA).

The policy is designed to help the Council meet its obligations under the Act and was last reviewed in 2003. It is due to be reviewed and will be part of a wider alcohol management plan. Work on these initiatives has already begun.

# ENFORCEMENT AND MONITORING

## Inspections

As at 30 June 2012, there were 720 licensed premises operating within the Wellington District Licensing Agency's jurisdiction. An inspection target of 331 visits set for the 2011-2012 financial year was met. The target included inspections of risk category one, two and three premises.

**Risk category one includes:** hotels, function centres, auctioneers, gyms, off-licence caterers, mail order, tastings, hospitals, tourist houses, airport and complementary licensed premises, universities. None of these premises require inspection.

There are 103 of these premises. Although inspections of these premises are not required, six venues were inspected. Inspections were predominantly carried out in the afternoon. Minor breaches of liquor licence conditions relating to signage were noted and have been corrected.

**Risk category two includes:** restaurants/BYO, conveyances, adult entertainment, sports clubs, chartered clubs, cultural clubs and social club licence premises, theatres. 25 percent require inspection.

There are 378 premises in this category, of which 277 were inspected. Daytime and evening visits were carried out. Some compliance issues were identified relating to signage, failure to display the duty manager's name or licence. All breaches of liquor licence conditions have been followed up by an inspector.

**Risk category three includes:** taverns, nightclubs, bottle stores, grocery stores and supermarkets. All of these premises require inspection.

There are 240 of these premises. 277 inspections were completed. Daytime and evening visits were carried out. Some compliance issues were identified, including not having a duty manager on the premises, sale to a minor and poor signage. All breaches of liquor licence conditions have been followed up by an inspector.

**New premises:** all of these are required to be inspected. There are 14 new premises, all of which were inspected. One sold to a minor in a controlled purchase operation and their licence was suspended for 24 hours. Compliance visits were also carried out on new operators trading with a temporary authority or special licence.

As at 30 June 2012, a total of 409 inspections of licensed premises had taken place. This total was made up of risk category one, two and three, new premises and pavement permissions.

## Rugby World Cup monitoring

Compliance visits were carried out at Westpac Stadium on all game days as well as in designated fan zones. Full compliance with Rugby World Cup requirements was identified.

## Controlled purchase operations

The District Licensing Agency and the Police are responsible for monitoring licensed premises to ensure they comply with the Sale of Liquor Act. A combined response from the agencies involved in liquor regulation helps to improve community safety by:

- further working together at a local level to reduce alcohol-related harm
- enhancing the regulatory agencies collaborative relationships with each other
- ensuring the public messages that the agencies give in relation to alcohol are consistent, complementary and supportive.

Four controlled purchase operations have been conducted in the last year targeting all types of licensed premises.

A total of 43 premises were visited. Visits were made to six taverns, 19 bottle stores, 14 grocery stores and two supermarkets. Two visits were made to the Westpac Stadium. 14 premises failed to comply with the conditions of their licence and sold liquor to minors. Seven taverns, three bottle stores and four grocery stores failed to comply with their licence conditions. All have been dealt with by the LLA or have agreed to a voluntary licence suspension.

## Ko-ordinated Enforcement Group (KEG)

The Ko-ordinated Enforcement Group is made up of representatives from New Zealand Police, the District Licensing Agency and Regional Public Health. The aim of this group is to help resolve performance issues related to licensed premises, unless the issue is considered to be serious enough to warrant legal action, or the issue is ongoing.

In many cases when a problem is detected it can be successfully resolved to the satisfaction of regulatory

authorities without progressing to a hearing. It is in the interests of all parties to achieve a good result without incurring the costs associated with a hearing. This approach can be an effective way of getting licensees comply with the conditions of their licence, but does not remove the agencies' ability to refer issues to the LLA if required.

There has been one formal KEG meeting in the last financial year. However, some licensees have been sent letters for minor breaches reminding them of their obligations under the Act. Good compliance has been achieved as a result of this early and often repetitive intervention.

## 5 PARTNERSHIPS

### Wellington Liquor Liaison group

The group, whose membership includes representatives from the New Zealand Police, the DLA, the New Zealand Fire Service, Regional Public Health, ALAC, and Hospitality New Zealand continues to work together well to address alcohol issues in the city. The committee has met five times during the year.

### Hospitality Sector Forum

This group includes the New Zealand Police, Regional Public Health, Positively Wellington Tourism, Hospitality New Zealand, the Restaurant Association of New Zealand, ALAC, ACC, the New Zealand Hotel Council and the DLA.

It was set up to help make the city a safe place to be, to show pride in our city and be great hosts. The forum's focus is on promoting responsible venue management and licensing practices, developing and implementing ongoing staff training programmes and raising awareness of host responsibility. Members meet approximately every two months.
