## Agency work flow

The District Licensing Agency (DLA) received a total of 2116 applications in the 2012–2013 financial year, which is 34 more than the previous year.

## Conferences and training

Joanne Burt, Mike Kemp and Raaj Govinda attended the New Zealand Institute of Liquor Licensing Inspectors Conference in Wellington in August 2012.

Licensing inspectors attended a number of training sessions on the Sale and Supply of Alcohol Act 2012. All inspectors attended the Sale and Supply of Alcohol Act information workshop hosted by ACC, with joint agency attendance from council licensing inspectors, NZ Police, officers from Regional Public Health and the NZ Fire Service.

Alison Curtis and Karen Binnie attended DLA training on the Sale and Supply of Alcohol Act provided by Local Government NZ (LGNZ).

Inspectors also attended a number of LGNZ webinars, on changes under the Act and the requirements for District Licensing Committees. A number of Wellington City Councillors have also attended webinars and training.

## Agency meetings and hearings

There have been no hearings of the DLA this year.

# AGENCY INITIATIVES

## Hospitality Matters (new)

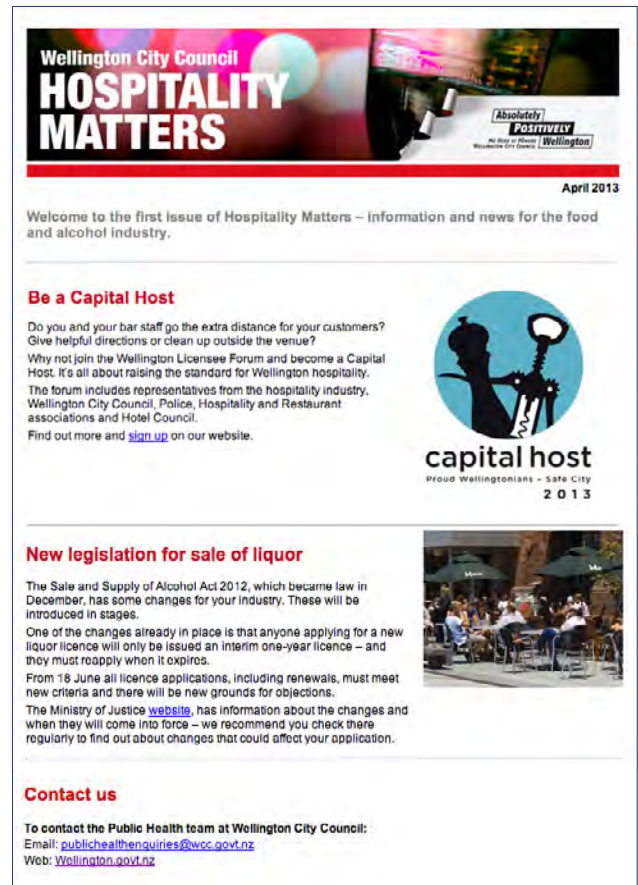

The DLA produced two editions of a new e-newsletter entitled 'Hospitality Matters'. These provided key messages for the hospitality industry, including developments in liquor legislation, and food and trade waste matters.

## Event management

In conjunction with the Council's City Safety team, the DLA gave a presentation to the hospitality industry about Council requirements when participating in major events. The presentation focused on proposed changes under the Sale and Supply of Alcohol Act 2012, *The Hobbit* premiere and the Rugby Sevens tournament, and also covered special licence applications, food safety and outdoor seating.

## Tertiary education (ongoing)

Licensing inspectors held four training sessions for students attending the Professional Bar School and Weltec. Key messages for students and staff were around host responsibility in relation to the Sale of Liquor Act 1989.

The screenshot shows the cover of the 'Hospitality Matters' e-newsletter. At the top, it says 'Wellington City Council' and 'HOSPITALITY MATTERS' in large, bold letters. Below this, there is a red banner with the text 'Welcome to the first issue of Hospitality Matters – information and news for the food and alcohol industry.' and the date 'April 2013'. The main content area is divided into three sections: 'Be a Capital Host', 'New legislation for sale of liquor', and 'Contact us'. The 'Be a Capital Host' section includes a circular logo with a silhouette of a person holding a key and the text 'capital host Proud Wellingtonians - Safe City 2013'. The 'New legislation for sale of liquor' section includes a photograph of an outdoor seating area with people sitting at tables. The 'Contact us' section provides the email address 'publichealthenquiries@wcc.govt.nz' and the website 'Wellington.govt.nz'.

# WELLINGTON'S LIQUOR LICENSING POLICY

Wellington City Council has been guided by an alcohol licensing policy since 1993, most recently reviewed in 2003.

In 2009, the Law Commission undertook a broad and comprehensive review of the role of alcohol in New Zealand. The Commission's 2010 report to Parliament, 'Alcohol in our Lives: Curbing the Harm', signalled significant changes to the sale and supply of liquor. The Government responded with the Sale and Supply of Alcohol Act 2012.

Council officers have been working on the development of an Alcohol Management Strategy and Local Alcohol Policy since October 2012. Licensing inspectors in particular have been consulted and provided input as required under section 78(4) of the Act. This work represents an updated approach to alcohol management in Wellington City. It will provide guidance for decision-makers in applying the new Act and any amendments.

The Council intends to have an operational policy in place by mid-2014. Until then, decision-makers will be guided by the criteria in the Sale and Supply of Alcohol Act 2012, and aspects of the current policy not inconsistent with the legislation.

Finding a balance between the needs of the community and the entertainment/recreation market is not always easy. Wellington City is the main entertainment destination for the region, and the restaurants, bars and clubs provide life and vitality to many parts of the city. However, excessive alcohol consumption and alcohol-related harm threaten residential amenities and economic benefits. In its role as the DLA (District Licensing Committee from 18 December 2013), the Council will act to protect the health of the community as required under the Act.

# ENFORCEMENT AND MONITORING

Agencies are responsible for monitoring licensed premises to ensure compliance with the Act. Wellington City Council works with NZ Police and Regional Public Health to ensure robust and effective monitoring of licensed premises in Wellington City.

A combined agency approach is undertaken towards monitoring and enforcement, where all parties are committed to:

- working together at the local level to reduce alcohol-related harm
- enhancing collaborative relationships between regulatory agencies
- ensuring that public messages from the agencies in relation to alcohol are consistent, complementary and supportive.

## Inspections

As at 30 June 2013, there were 722 licensed premises operating within the DLA's jurisdiction.

As part of the Council's annual plan measures, inspection targets were:

- 100 percent (250) of high-risk premises – category 3 (includes taverns, night clubs, bottle stores, grocery stores and supermarkets)

- 25 percent (63) of high-risk premises during peak trading hours
- 25 percent (95) of medium-risk premises – category 2 (includes restaurants/BYO, conveyances, adult entertainment, clubs, theatres)
- 100 percent of new premises.

There was no target for low-risk premises – category 1 (includes hotels, function centres, auctioneers, gyms, off-licence caterers, mail order, tastings, hospitals, tourist houses, airports and universities).

As at 30 June 2013, a total of 500 inspections of licensed premises had taken place. This total was made up of risk categories 1, 2 and 3, and new premises.

## Summary of liquor inspections completed

Key issues identified during inspections were: not displaying signage, incorrect managers' details, manager not on duty, no low-alcohol options, patrons drinking outside licensed area, food not available.

Breaches around signage were noted and rectified. Other breaches were followed up by an inspector.

Table 1: Summary of liquor inspections completed

RISK CATEGORY	NUMBER OF PREMISES	INSPECTION TARGET	NUMBER INSPECTED
1 (low)	94	No target	20
2 (medium)	378	95 (25%)	136
3 (high)	250	250 (100%)	271
3 (peak trading)	250	63 (25%)	73

## Monitoring of large events

Event monitoring was carried out during large events such as *The Hobbit* premiere, the Rugby Sevens tournament, the Jim Beam Homegrown festival and the Food Show. Monitoring was also undertaken at community events, including Newtown Festival, Wellington Night Market and Thorndon Fair.

## Controlled purchase operations

Five controlled purchase operations were conducted in the last year targeting a range of licensed premises.

A total of 60 premises were visited (one held both an on- and off-license). The results are shown below:

Table 2: Controlled purchase operations

PREMISES VISITED	PASS	FAIL	OUTCOME
28 on-licensed	24	4	<ul style="list-style-type: none"> <li>■ 2 voluntary suspensions for 1 week</li> <li>■ 2 formal warnings</li> </ul>
33 off-licensed	27	6	<ul style="list-style-type: none"> <li>■ 4 voluntary suspensions for 1 week</li> <li>■ 2 applications for suspension to the Alcohol Regulatory Licensing Authority (ARLA)</li> </ul>

## Graduated response model

A graduated response model was used to address compliance issues and breaches of liquor licence conditions. Under this model, compliance can be achieved by talking to managers or owners of licensed premises, as well as through enforcement when breaches occur.

Eleven graduated response meetings were held, five of which were carried out jointly by Police and licensing inspectors. The remaining six were carried out by the Police.

Three applications were made for suspension or cancellation of a licence:

- one was a result of a second failure by a licensed premises in a controlled purchase operation
- one was a result of a third failure by a licensed premises in a controlled purchase operation
- one was due to repeated incidents with patron intoxication, staff drinking on site later than allowed by the liquor licence, lack of food availability, and general conduct and suitability of the licensee to continue operating a licensed premises.

# PARTNERSHIPS

## Wellington Liquor Liaison Group

The group, whose membership includes representatives from the Police, the DLA, the Fire Service, Regional Public Health, ALAC and Hospitality NZ, continues to work well together to address alcohol issues in the city. The group has met five times during the year.

## Joint initiatives

### Joint compliance inspections

Licensing inspectors carried out monthly compliance visits jointly with the Police and Regional Public Health. The combined agency approach focused on working in partnership with the hospitality industry to ensure compliance and reducing alcohol-related harm.

### Controlled purchase operations

Wellington Police, Wellington DLA and Regional Public Health.
