grassy area on east side of Raroa Rd

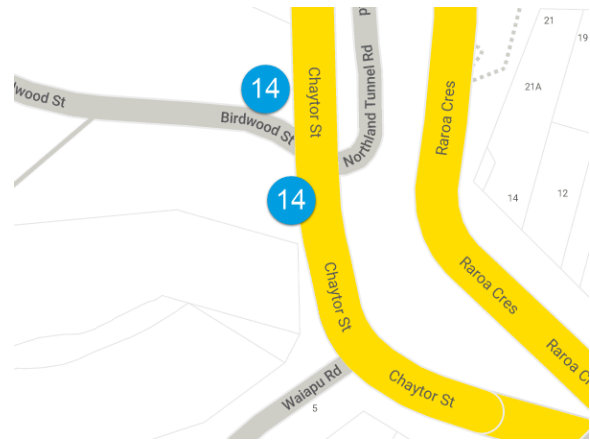

SITE-SPECIFIC NOTES

- Do not cover or obstruct the services (grey patches).

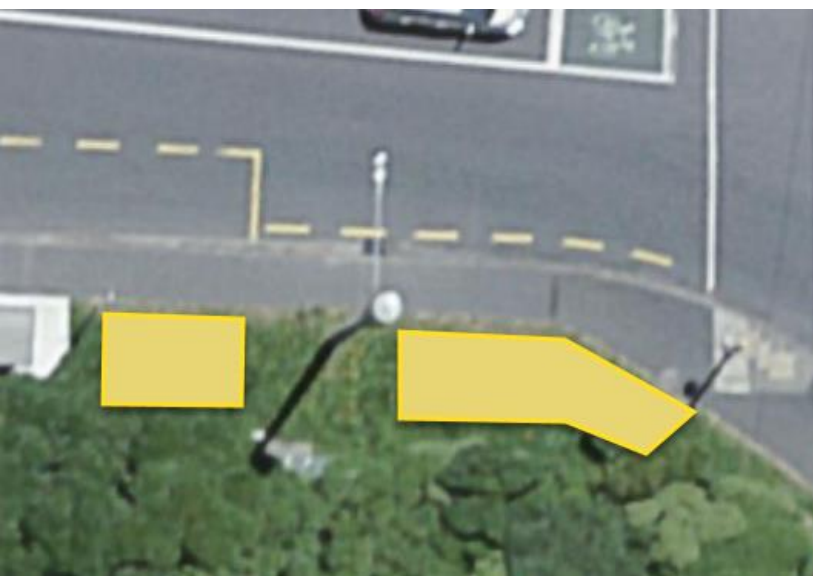

SIGNAGE SITE 14

Birdwood St & Chaytor St | **Karori**

grass berm on south side of Birdwood St

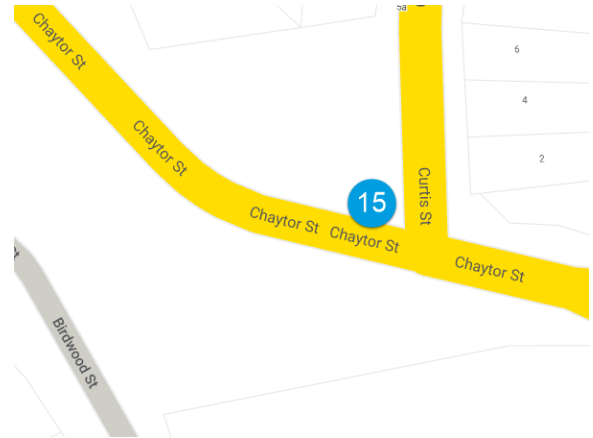

SITE-SPECIFIC NOTES

- Do NOT place any signage along the Chaytor St fence.
- Be mindful and stay clear of the power/electricity services running underground on the berm.
- All signage must be self-supported (not attached to any existing structures).

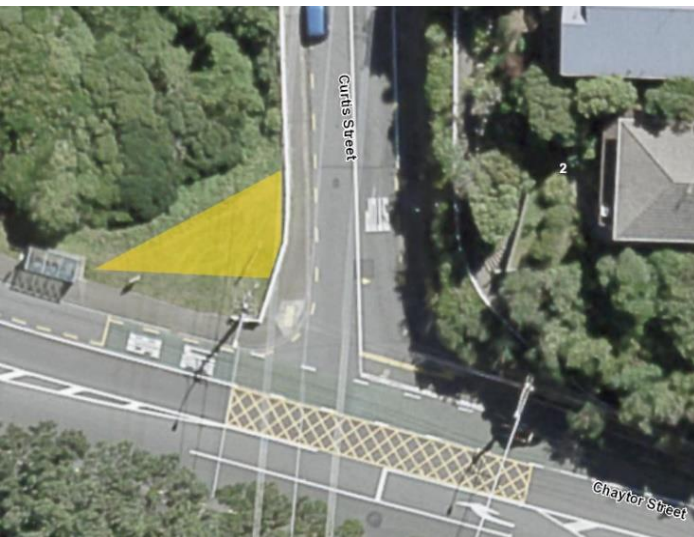

SIGNAGE SITE 15

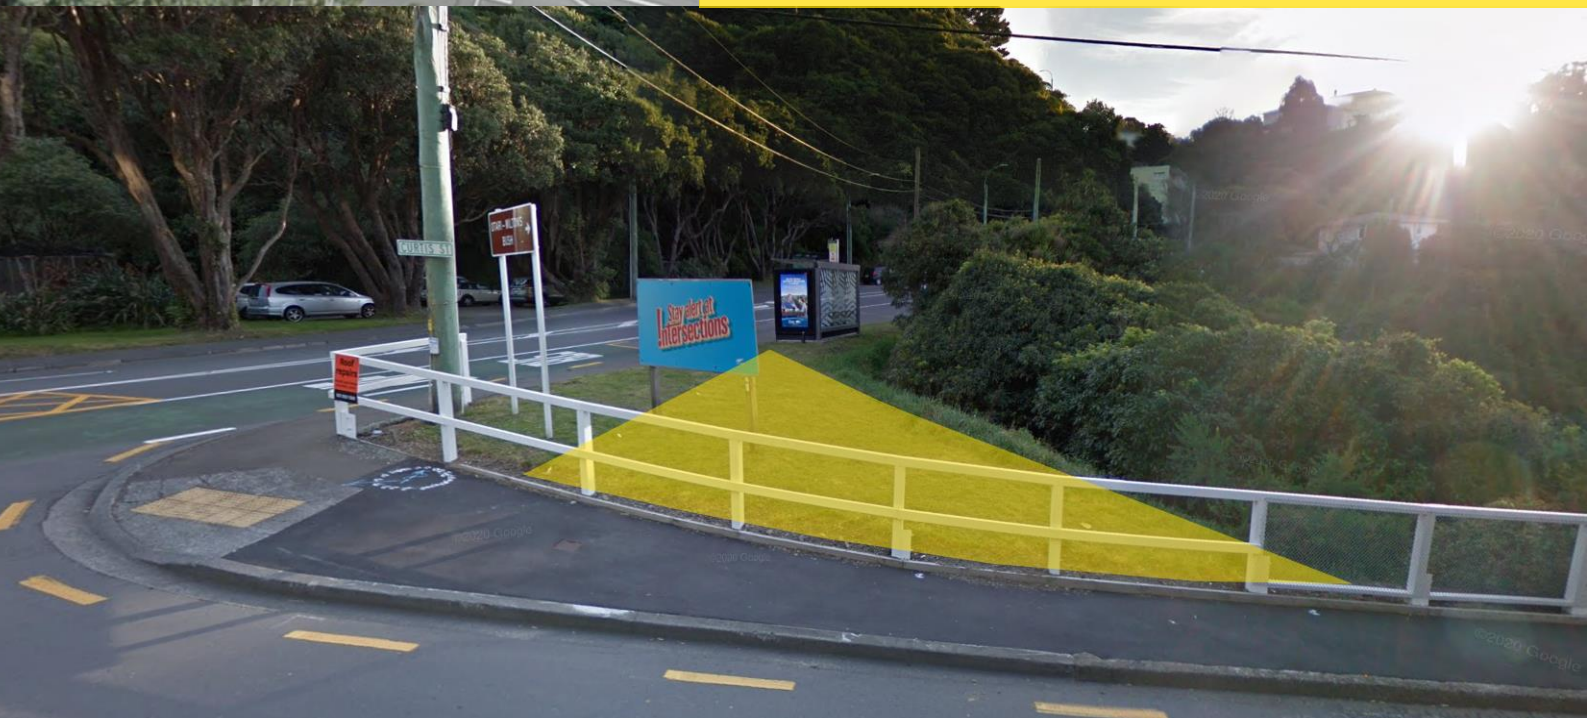

Chaytor St & Curtis St | Karori

northwest of intersection, on grassy area behind

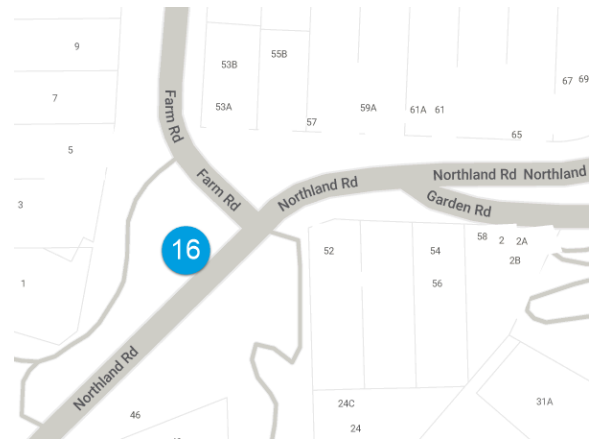

SITE-SPECIFIC NOTES

- Do not attach any signage to the white fence. Signs must be placed behind fence (on grassy section).
- Place signage behind (not obstructing) directional/permanent signage already on site.

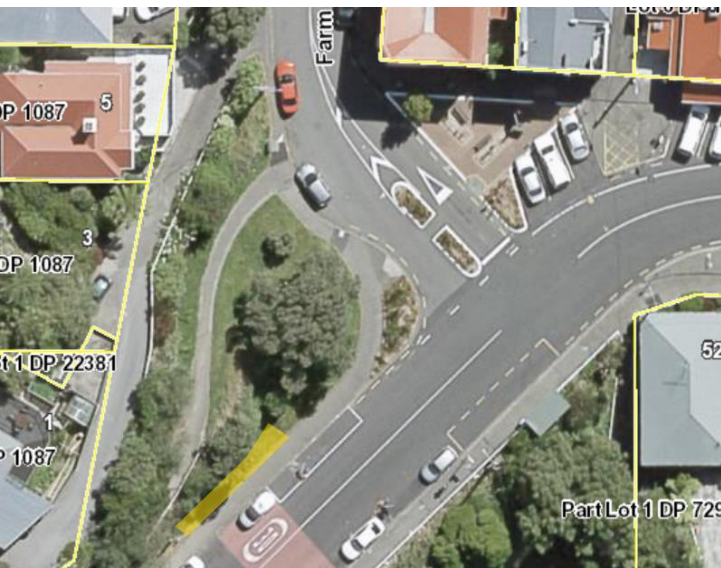

SIGNAGE SITE 16

Northland Rd & Farm Rd | Northland

north side of Northland Rd, southwest of smaller tree

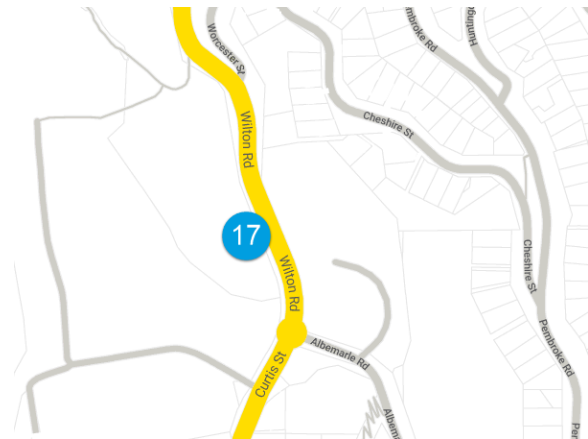

SITE-SPECIFIC NOTES

- Do not place signage inside drip line of trees.
- Place signage to the left (southwest) of the small tree, running along Northland Rd.
- There should be no signs on the big grassy section close to Farm Rd.

SIGNAGE SITE 17

Wilton Rd & Ian Galloway Park | **Wilton**

opposite Cardinal McKeefry Catholic Primary School, on west

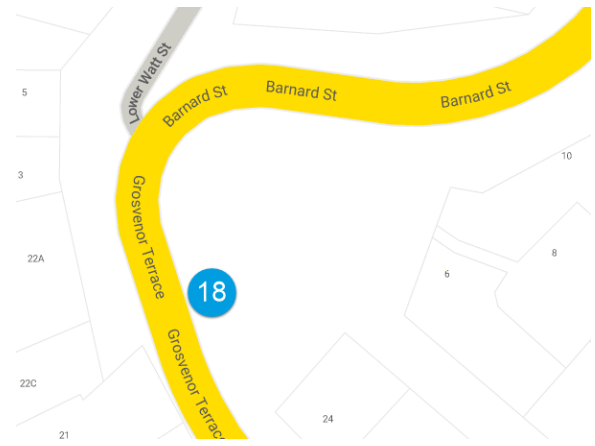

SITE-SPECIFIC NOTES

- Do not place signage past (north of) streetlight.
- Do not attach signage to the fence.

SIGNAGE SITE 18

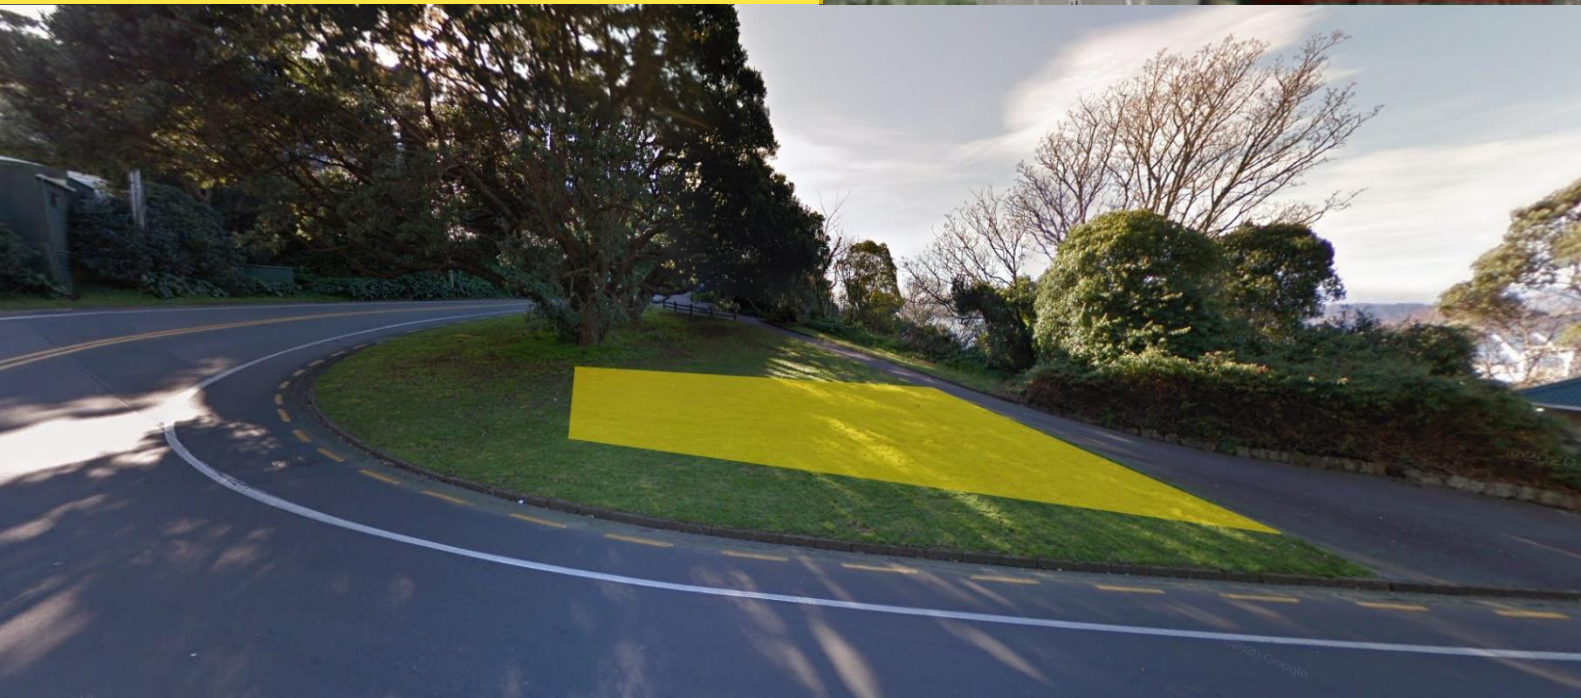

Barnard St/Grosvenor Tce & Lower Watt St | **Wadestown**

along south (Grosvenor Tce) side of curved grassy area

SITE-SPECIFIC NOTES

- Do not place signage on north (Barnard St) side of the large tree. All signage should be on the grassy area at the south (Grosvenor Tce) side.
- Avoid placing signage inside the drip line of the tree.
- To maintain adequate and safe sightlines for vehicles banking left around the bend, please ensure that signs are stepped inward from the kerb.

SIGNAGE SITE 19

Churchill Dr & Bowen Hospital | Crofton Downs

east side of Churchill, approx. 100 m south of Bowen

SITE-SPECIFIC NOTES

- Do not obstruct the semi-permanent Crofton Downs sign (near tree bed).
- Try to place signage toward south end of site (closer to the streetlight).

SIGNAGE SITE 20

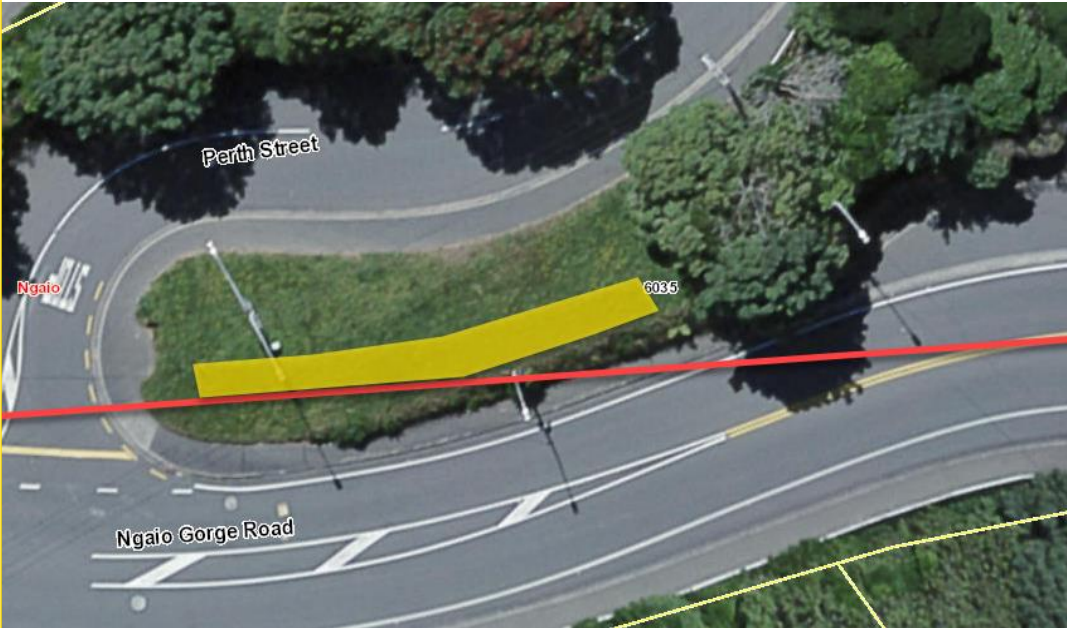

Ngaio Gorge Rd & Perth St | **Ngaio**

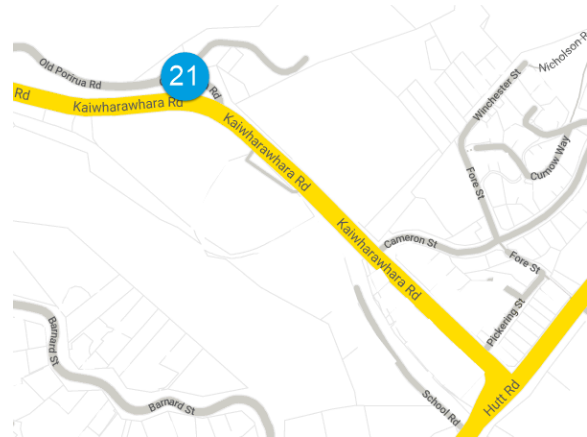

grassy berm on northeast corner, along Ngaio Gorge

SITE-SPECIFIC NOTES

- Do not place signs on gated white fence across the road (by Trellissick Cres).
- Do not cross the red line, this is to show safety line of site.

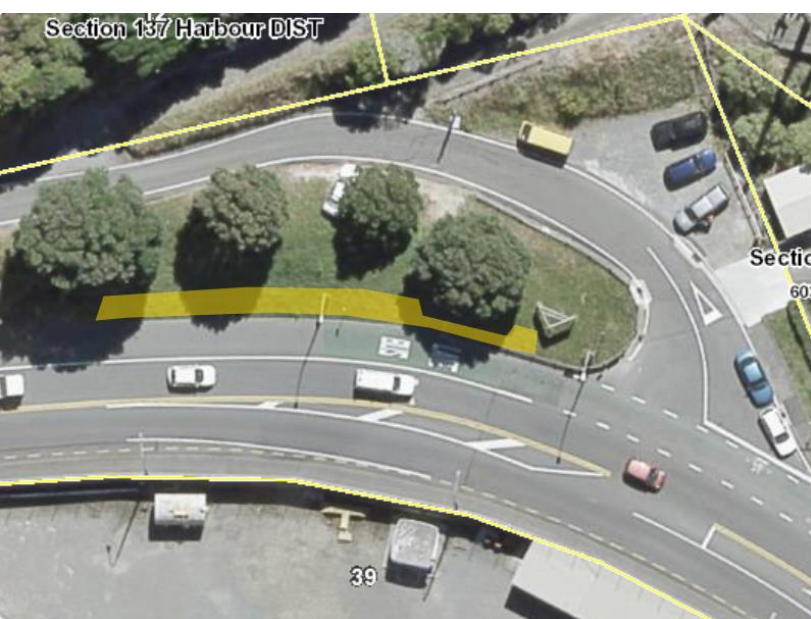

SIGNAGE SITE 21

Kaiwharawhara Rd & Old Porirua Rd | **Kaiwharawhara**

northwest of intersection, on grassy bank along

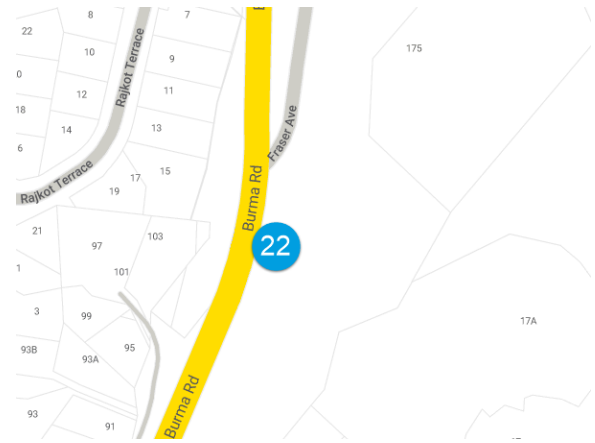

SITE-SPECIFIC NOTES

- Do not place signage inside drip line of trees.
- Do not obscure large semi-permanent signage located at east side (toward intersection) of the site.
- Do not attach any signage to fencing.

SIGNAGE SITE 22
