

PROPOSED TRAFFIC RESOLUTION

File Ref: 8/30/44Pt3

Reference Number: TR 06-14

Location: Newlands Road - Newlands

Proposal: Restricted Parking, No parking except for Drop Off / Pick Up, Monday to Friday 8 – 9am, 2.30 – 3.30pm, during school terms only.

Information: A request has been received from the principal of Newlands School to install drop off /pick up restricted parking. The school is located on Newlands Road surrounded by various different businesses.

Newlands Road is a principle road that carries heavy traffic and gets congested at peak times. On-street parking is at capacity most of the day. Currently parents/caregivers park their vehicles on the opposite side of the school in P60 parking spaces. These parking spaces should serve the businesses in this area. However they are used by parents/caregivers for school collection/drop-off causing disruption to the businesses and their customers, contributing to traffic congestion, delays and reduction to the children's safety.

Council officers have taken this opportunity to review the existing on-street parking associated with the school peak times to propose installing (No parking except for Drop Off / Pick Up, Monday to Friday 8 – 9am, 2.30 – 3.30pm, during school terms only) for 3 parking spaces on the same side of the school to improve safety and provide greater turnover.
