File Ref: 8/30/7

Reference Number: TR 14-14

Location: Bowen Street - Thorndon

Proposal: Clearway 7:00am – 9:30am Monday to Friday, P120 At All Other Times

Information: A recent review of parking in the vicinity of the Tinakori Road shopping area highlighted the current parking pressure experienced by both businesses and visitors coming to the area.

It was identified that a road section along Bowen Street between Tinakori Road and Sydney Street West can be converted into additional parking. This section is currently no stopping at all times.

It is proposed to create several time limited and coupon parks to alleviate the parking difficulties in the area. Five P120 parks can be used by customers and visitors to the shopping area while commuters can avail of five coupon parks.

A clearway restriction from 7:00am - 9:30am will be in place during weekdays to ensure traffic flows freely into the CBD during the morning peak hours.
