

PROPOSED TRAFFIC RESOLUTION

File Ref: 8/30/26

Reference Number: TR19-14

Location: The Terrace - Lambton

Proposal: No Stopping, Monday to Friday 4pm – 6pm

Information: It has been brought to the attention of Council Officers that the use of two coupon car parks, located 40 metres south of The Terrace/Salamanca Road intersection, during evening peak hours, is compromising the efficiency of the traffic flow on The Terrace and Salamanca Road. If vehicles are parked in these spaces during evening peak hours, it can cause an unnecessary build up of vehicles on The Terrace as the available left turn lane is obstructed by vehicles waiting to access straight ahead.

Therefore it is proposed to install a No Stopping restriction 4:00pm – 6:00pm Monday to Friday.
