

PROPOSED TRAFFIC RESOLUTION

File Ref: 8/30/227

Reference Number: TR27-14

Location: Minerva Street - Newtown

Proposal: Residents Parking, at all times

Information: Council Officers have received a request from a resident along Minerva Street to extend the residents parking restriction to *at all times*.

Currently, there are 4 existing residents' parks on the street with a restriction of Monday to Friday 8am to 6pm only. With the busy Newtown School Market on weekends, plus the ongoing parking demand from the adjacent Wellington Hospital, it is getting more difficult for residents to find available parking.

This proposal to extend the restriction to *at all times* will allow affected residents in the area to have ample parking throughout the week. The rest of the parking along Minerva Street will remain unrestricted.
