

PROPOSED TRAFFIC RESOLUTION

Reference Number: TR 68 – 14

Location: Kaiwharawhara Road - Kaiwharawhara

Proposal: No stopping, at all times

Information: Kaiwharawhara Road is a principal route connecting the western suburbs to both the Hutt Road and Wellington city centre. Surrounding land use is mostly commercial and on-street parking in the area is not restricted, meaning it is very well used throughout the day by both customers and commuters.

The business at number 27 Kaiwharawhara Road has an encroachment license for a small carpark area to park their vehicles. Other motorists occasionally block access to this area because the vehicle crossing is small and not well defined and they park across it.

Officers recommend that broken yellow lines be placed across the vehicle entrance to clearly show that parking is prohibited and eliminate the ongoing hassles.
