Location: Kaiwharawhara Road - Kaiwharawhara

Proposal: No stopping, at all times

Information: Kaiwharawhara Road is a principal route connecting the western suburbs to both the Hutt Road and Wellington city centre. Surrounding land use is mostly commercial and on-street parking in the area is not restricted, meaning it is very well used throughout the day by both customers and commuters.

On a daily basis shoppers park across the driveway of the business at # 7 as it is easier for them to park in front of the garage rather than going further up the road to find an empty car park space. This parking occurs all the time due to the demand and the unavailability of parking.

Officers recommend that broken yellow lines be placed across the vehicle entrance to clearly show that parking is prohibited and eliminate the ongoing problems.
