

# PROPOSED TRAFFIC RESOLUTION

Absolutely Positively  
Wellington City Council

Me Heke Ki Pōneke

**Reference:** TR 07 – 15

**Location:** Entrance Street - Aro Valley

**Proposal:** No stopping, at all times

**Information:** Council has received a request from the Waste Operations team to install broken yellow lines at the bend on the western side of Entrance Street. This will enable service trucks to collect rubbish/recycling from properties located along this stretch of the road and also from Norway Street.

Currently, vehicles are parked on both sides of the road including at the right angle of the road. The Council trucks and other services vehicles are experiencing difficulty in accessing this road particularly when vehicles are parked on the western bend. Service trucks either trapped, cause damage to parked vehicles when manoeuvring, or have to come back some other time.

Therefore officers propose broken yellow lines on this bend to facilitate through traffic.
