Absolutely Positively

Me Heke Ki Pōneke

Reference: TR 13 – 15

Location: McFarlane Street - Mt Victoria

Proposal: No stopping, at all times

Information: Officers have received a request from the Resource Consent Transport Planner to extend the No Stopping Parking Restrictions on the lower section of McFarlane Street opposite number 21.

This has arisen due to the requirement to provide access and egress manoeuvre to a New townhouse development. Similar restrictions are already in place along the length of this narrow road. This parking restriction is a condition of the Resource Consent.

The proposed 14m of No Stopping Restriction will enable vehicles to safely manoeuvre when entering/exiting the new driveway.
