

**Reference:** TR 66 – 15

**Location:** Colombo Street - Newtown

**Proposal:** Time limited (P10, Monday to Friday, 8:45am -9:15am, 2:45pm-3:15pm, During School Terms)

**Information:** Council officers received a request from the Adelaide Childhood Centre for time limited parking.

Adelaide Childhood Centre run the Kindergarten situated at 28 Colombo Street, Newtown. Parents/caregivers find it difficult to park close to and within walking distance of the community centre in the morning drop off and evening pickup times.

Council officers have visited the site and observed that parking was unavailable within a reasonable walking distance to the kindergarten. This is primarily due to commuter parking in the area to facilitate bus travel to work places to and from the city.

The proposed restriction would allow a ten minute drop off/ pick up facility in the morning and evening peak times, in front of the centre to assist the parents and children attending the centre.
