

Reference: TR 67 – 15

Location: Washington Avenue - Brooklyn

Proposal: No Stopping, At All Times

Information: Council Officers have received a request from a local resident to extend the No Stopping Restriction at the intersection between Washington Avenue and Heaton Terrace.

Council officers have observed there is 4 metres parking space left between the existing No Stopping Lines and the resident's garage. Vehicle parking on that space would obstruct resident's access to the garage.

Officers propose to extend the No Stopping lines for 4 metres to prevent illegal parking and also improve visibility of the intersection.
