

Safer speed limit proposed for Ngaio shopping area

The Council is proposing a safer speed limit in the Ngaio shopping area of 30km/h

Tell us what you think

The Council proposes to reduce the speed limit in the Ngaio shopping area and surrounding streets from 50km/h to 30km/h. This would apply to all vehicles at all times.

This proposal to reduce vehicle speeds will make Ngaio's streets safer and more pleasant for all road users.

There will be little effect on motorists' travel times, as the average speed in this area is already close to 30km/h.

From 2007-2014, a total of 16 injury crashes were reported in the area,

1 of which resulted in injuries to pedestrians. Studies show that reducing vehicle speeds significantly reduces the number and severity of injuries.

The Council has reduced the speed limit in 10 other shopping centres including Hataitai, Miramar, Seatoun, Strathmore Park and Kilbirnie.
