

PROPOSED TRAFFIC RESOLUTION

Reference: TR 14 – 16

Location: Mark Avenue - Grenada Village

Proposal: Give Way Control

Information: Confirmation for the existing Give way control on the north section of Mark Avenue/Grenada Drive roundabout. This has arisen due to new properties in the area and these have recently been occupied. The number of vehicles has therefore increased at the roundabout. The Give Way control is recommended good practice at roundabout controlled intersections.

Key Dates:

- | | |
|---|------------------|
| 1) Advertisement in the Dominion Post Newspaper | 23 February 2016 |
| 2) Feedback period closes. | 11 March 2016 |
