

Reference: TR100 – 16

Location: Thompson Street - Te Aro

Proposal: No stopping except for authorised residents vehicles
At All Times

Information: Council officer received a petition from several residents of Thompson Street requesting to convert existing residents' parks approximately 14 spaces to *At All Times*. There is an increased parking pressure experienced especially on weeknights and weekends.

The petition also requests to replace residents parking removed due to the construction of a vehicle crossing at 46 Thompson Street. Since the completion of a townhouse development at this vicinity, several new property owners are now also vying for parking on street.

These requested changes to the current residents parking will help alleviate the parking difficulty experienced in the neighbourhood.

The proposal is to convert the existing residents' parks (14 spaces) along Thompson Street to *At All Times* and install three residents' only parks near 46 Thompson Street.

Net parking loss: 3 – coupon parks to residents parks
