

# PROPOSED TRAFFIC RESOLUTION

**Reference:** TR 88 – 16

**Location:** Ironside Road - Johnsonville

**Proposal:** School Bus Stop (New)

**Information:** This is the revised proposal for TR43-16 (earlier consultation in April/May 2016) and is the result of the consultation submissions received from Johnsonville Community Association (JCA) and the Johnsonville Playcentre.

The proposed bus stop is relocated and positioned approximately 45m west of the intersection of Ironside Road and Morgan Street, near Johnsonville School to enable the P10 minute parking outside the Playcentre to remain unchanged. Also this location provides a good sight distance for pedestrians crossing the road.

The proposed bus stop is 22m to allow a bus to pull in parallel to the kerb and exit the bus stop in a safe manner. Parking would only be lost during the specified operation times of the bus stop. The bus stop will service a school bus route to/from Johnsonville School which currently does not have a formal bus park. Buses are currently parking in car parks and on 'no stopping' lines.

The duration of the bus stop has also been reduced to the hours of 8.30 – 9.00am and 2.45 – 3.15pm, Monday to Friday, during school terms only.

The expected patronage at this new stop is envisaged to be approximately 8 – 10 school students per trip.

Net parking loss: 3 parking spaces for one hour total per day during school terms.
