

# PROPOSED TRAFFIC RESOLUTION

Absolutely Positively  
Wellington City Council

Me Heke Kī Pōneke

**Reference:** TR 11 – 17

**Location:** Barnard Street - Wadestown

**Proposal:** No stopping, at all times

**Information:** Residents on Barnard Street have requested the Wellington City Council to consider removing on-street parking on the western side of Barnard Street opposite # 55. Vehicles regularly park on both sides of this section of road leaving a narrow one lane for oncoming traffic. A “choke point” has now become apparent and there have been several minor incidents involving scrapes and broken mirrors at this location. This is a frustration for refuse trucks, trade and emergency vehicles.

Therefore, Council officers propose to replace two parking spaces opposite #55 with a section of broken yellow lines (byls) to improve accessibility.

Net parking loss: 2
