

PROPOSED TRAFFIC RESOLUTION

Reference: TR 12 – 17

Location: Moorhouse Street - Wadestown

Proposal: Time limited parking P120, Mon-Fri

Information: Wadestown Community Liaison Group has requested the Council for additional P60 parking for the library on Moorhouse Street.

Over the past year, the library has offered new programs to the children. Part of the Library has also designated as Community Space and this is used by many groups including the Plunket PIN group sessions. With only three library parking spaces and the rest of the street taken up by commuters, parents with young children, prams, etc. have not been able to find a park nearby, particularly over the winter months. Often older library users with mobility problems have been unable to use the library too.

Therefore, Council officers propose additional three P120 parking spaces Mon-Fri opposite the library to assist parents and elderly to park close to the library.

Net parking loss: 0
