

**Reference:** TR 13 – 17

**Location:** Wadestown - Wadestown  
Road

**Proposal:** Time limited parking P120, Mon-Fri

**Information:** Wadestown Community Liaison Group has requested the Council for a designated parking to the Plunket on Wadestown Road.

A few years ago the residents of Wadestown worked with the City Council to improve the safety of families attending the Plunket and children's playground in Wadestown Road. The issue used to be that there was no pavement on that side of the road and parents and children had to exit their car into the traffic. In a joint project the residents removed the bank of agapanthus and rocks and the Council installed a footpath. The project was a success and safety was achieved.

Since that time the number of commuters has increased dramatically. Most of streets that are close to the bus route are parked out all day by out of towners. This includes the section of street where the Plunket and the playground are located.

Therefore, Council officers propose three P120 parking spaces Mon-Fri in front of the Plunket.

Net parking loss: 0

**Key Dates:**
