

Reference: TR 23 – 17

Location: Karori Road - Karori

Proposal: Time limited P10, At all times

Information: Officers received requests from Subway Takeaway shop to install P10 in front of the shop on Karori Rd.

The shopping area in Karori is busy all times. Most of the surrounding parking spaces are P60, P30 and unlimited parking. There isn't any short term parking close by the takeaway shop. Officers on their review have noticed that there are a redundant vehicle access and excessive broken yellow lines in front of the takeaway shop which can be turned into parking and utilised for short term parking without compromising safety. This proposal will help to turnover the number of cars to assist with trade. Therefore, officers propose one P10 parking spaces at all times outside the Subway shop.

Gain 1 parking space
