

PROPOSED TRAFFIC RESOLUTION

Reference: TR 124 – 17

Location: Nevay Road - Karaka Bays

Proposal: No stopping at all times

Information: Concerns have been raised by the On Road Manager of NZ BUS regarding difficulties on Nevay road due to cars parked on both sides of the road thereby preventing the access to move buses forward on a number of occasions. Sometimes buses have to reverse back to allow other vehicles to pass through and difficulty arises when trying to negotiate a bend having cars parked on both sides of the road. NZ Bus has also experienced delays of up to 30minutes on some occasions. This has also been identified as a safety issue as there is not enough road width for a bus to manoeuvre on the bend.

There are currently no stopping restrictions along Nevay road and a site visit was undertaken with the On Road Manager and Council officers to agree on a solution. Council officers now propose to install 43m of broken yellow lines on Nevay road to ensure better accessibility and improve forward visibility. It is noted that this is a regular bus service to the area, and it is important that buses are not impeded.

Net parking loss: 6 car spaces

Key Dates:

- 1) Advertisement in the Dominion Post Newspaper 26 September 2017
- 2) Feedback period closes. 13 October 2017
- 3) If no objections received report sent to City Strategy Committee for approval. 16 November 2017
- 4) If objections are received, further consultation, amendment/s, or proceed with explanation as appropriate.

PROPOSED TRAFFIC RESOLUTION
