

Reference: TR 125 – 17

Location: Nevay Road - Karaka Bays

Proposal: No stopping at all times

Information: Concerns have been raised by the On Road Manager of NZ BUS regarding difficulties on Nevay road, as they have faced cars parked on both sides thereby preventing the access to move forward on number of occasions. Sometimes buses have to reverse back to allow other vehicles to pass through and difficulty arises when trying to negotiate a bend with cars parked on both sides. They have also experienced delays up to 30 minutes. It has also been identified a safety issue as there is not enough road width for a bus to manoeuvre on the bend with cars parked on both sides.

There are currently no stopping restrictions along Nevay Road and a site visit was undertaken with the On Road Manager and Council officers to agree on a solution to improve bus access. Therefore, Council officers propose to install 56m of broken yellow lines on Nevay Road to ensure better accessibility and improve safety.

Furthermore, there is a bus stop outside #123A which the officer's have been requested to mark out and extend for a further 3 metres followed by broken yellow lines to the south ensuring clear access for the buses.

It is also noted that this is a regular bus service to the area and it is important that buses are not impeded.

This resolution also updates the resolutions database to match the actual on-street markings in the area of the bus stop.

Net parking loss: 3 car spaces

Key Dates:

- 1) Advertisement in the Dominion Post Newspaper 26 September 2017
- 2) Feedback period closes. 13 October 2017
- 3) If no objections received report sent to City Strategy Committee for approval. 16 November 2017
- 4) If objections are received, further consultation, amendment/s, or proceed with explanation as appropriate.
