

PROPOSED TRAFFIC RESOLUTION

Reference: TR134 – 17

Location: Onslow Road - Khandallah

Proposal: No stopping, at all times

Information: There have been a number of recent incidents where cars parking along the kerbside at this location has resulted in damage to vehicles and minor injury. Officers appreciate there is a high demand for parking in the area, including the Pakistan High Commission on the opposite side of Onslow Road. However, officers consider the current on street parking is no longer safe and propose to install a section of 'No Stopping' restriction to improve road safety on this section of Onslow Road.

Net parking loss: 2-3 spaces
