

Reference: TR 135 – 17

Location: Salamanca Road - Kelburn

Proposal: Time limited P5, at all times

Information: Officers have received a request from a dairy shop owner to install P5 parking to assist his business on Salamanca Road.

The shop is located close to The Terrace intersection. Being on a major intersection close to the CBD, there are extensive no-stopping lines near the shop and there is also a bus stop directly in front of the shop. There is a small parking space in front of #3 Mount Street without restriction and people park their vehicles for several weeks and even sometimes for months without moving. Officers, therefore, purpose to convert this space into a P5 at all times to provide for the needs of the dairy customers.

Note: The dairy owner has obtained support for the proposal from a number of the local properties.

Net parking loss: None
