

**Reference:** TR 138 – 17

**Location:** Fore Street - Kaiwharawhara

**Proposal:** No stopping at all times

**Information:** Ongoing requests have been received from residents to install broken yellow lines at the entrance of Fore Street. Cars most days park close to the road entrance either on the footpath obstructing pedestrians and pedestrians with prams from using the footpath. Parking on the road close to the corner of Cameron Street prevents vehicles from getting in and out of Fore Street safely. Fore Street is very narrow, 4m wide and is not suitable for on street parking in this area. Residents have off street parking and excess/visitor cars can park on Cameron Street alongside the footpath. To prevent this from happening and to improve the public safety and convenience, Officers propose a section of broken yellow lines on the eastern side at the road entrance with Cameron Street.

Net parking loss: 1 parking space
