

Reference: TR 150– 17

Location: Sugarloaf Road - Brooklyn

Proposal: No stopping at all times

Information: Officers have received a request from residents of Sugarloaf road to install broken yellow lines on the bends as people park cars on both sides of the road blocking the view to the oncoming traffic and restricting access to emergency vehicles. Residents have also advised that there has been an incident where a fire engine had trouble accessing a property at the end of the street due to the parked cars.

A site visit and an assessment has been undertaken. The proposal is for broken yellow lines on the second bend, from Helen Street, being close to the end of the cul-de-sac to ensure adequate width is maintained for improved accessibility for all vehicles including emergency services.

It is therefore proposed to install 18m of broken yellow lines on the bend opposite #29 Sugarloaf road.

Parking loss: 2 car spaces
