

PROPOSED TRAFFIC RESOLUTION

Reference: TR 157 – 17

Location: The Terrace - Wellington

Proposal: Class Restricted (Loading Zone, P5, At All Times)

Information: Council Officers have received a request from Park Hotel to address a loading zone shortage within close proximity to the hotel premises on 101-103 The Terrace.

Outside the Park Hotel are two metered parking spaces, with a 120 minute time restriction. It has been determined that the current restrictions do not fully cater to current demands.

The purpose of this resolution is to convert two existing metered parking spaces into a loading zone to meet existing demand.

Net metered parking loss: 2 spaces
Loading zone gain: 2 spaces
