

# PROPOSED TRAFFIC RESOLUTION

**Reference:** TR 27 – 18

**Location:** Seatoun Heights Road - Seatoun

**Proposal:** No parking except for Drop Off  
(Mon- Fri, 8:40am – 9:00am, During School Terms Only)

**Information:** Officers have received concerns regarding parking from the school representative of Worser Bay School. The road safety concern is especially the case during morning peak and drop-off times. Seatoun Heights Road is narrow and parking is at a premium particularly around the school entrance.

The proposal is to convert 3 unrestricted parking spaces into a drop-off 'zone', located directly opposite the school entrance. This would allow parents to drop off their kids easily during morning peak. A Kea crossing operates during this time and this will facilitate safe pedestrian access across the road. These spaces are generally occupied by school teachers and they have agreed to vacate it during the proposed drop-off times.

Council officers therefore propose to convert 3 unrestricted parking spaces to be used as a drop-off during the morning peaks.

Net parking loss: 0-To be used only for short term parking and unrestricted at other times.

## Key Dates:

- 1) Advertisement in the Dominion Post Newspaper 27 February 2018
- 2) Feedback period closes. 16 March 2018
- 3) If no objections received report sent to City Strategy Committee for approval. 19 April 2018
