**Reference:** TR 113 – 18

**Location:** Rangiora Avenue - Kaiwharawhara

**Proposal:** No Stopping At All Times

**Information:** Council Officers have been working with consultants in investigating a footpath provision on Rangiora Avenue down to Hutt Road. As part of these investigations, it has been identified that there are areas that could benefit from no stopping restrictions in the northern section of Rangiora Avenue and near its intersection with Sovereign Point.

The proposed no stopping restrictions will improve safety and vehicle access in these narrow sections of the road and where vehicles are manoeuvring through short radius bends and will also facilitate improved emergency vehicle access. Sightlines will be improved to both vehicles and pedestrians in the area who access the stepped pathway (entry point adjacent to #38) to Amritsar Street.

Net parking loss: Approx. 2 -3 spaces
