

# PROPOSED TRAFFIC RESOLUTION

Absolutely Positively  
Wellington City Council

Me Heke Kī Pōneke

**Reference:** TR 123 – 18

**Location:** Fernhill Terrace - Wadestown

**Proposal:** No Stopping At All Times (NSAAT)

**Information:** Wellington City Council has received a request from the residents and property owner of #22 Fernhill Terrace to install a no stopping restriction opposite the garage of #22. Currently there is not sufficient manoeuvring space to enter or exit the garage when a car is parked opposite the garage. The current residents are thus unable to use their garage and resort to park on the street. A no stopping space of 3 metres is proposed to enable the residents of #22 Fernhill Terrace to use the garage and provide off street parking for 1 vehicle.

The purpose of this resolution is to add 3 metres of No Stopping At All Times directly opposite the garage of #22 Fernhill Terrace.

Net parking loss: nil

The parking area is between the driveways of # 21 and #23 is only long enough to accommodate 2 cars to park legally.
