

# PROPOSED TRAFFIC RESOLUTION

**Reference:** TR 141 – 18

**Location:** Oriental Parade - Oriental Bay

**Proposal:** Removal of Resident's Parking  
No Stopping At All Times

**Information:** Council Officers have been notified that the garage of #190 has been extended from a single garage, to a double garage.

To accommodate the extra parking space, a wider kerbside driveway is required for vehicle ingress/egress. There is currently a single Resident's Parking space within proximity of the new driveway, which will partially obstruct the driveway when occupied.

As a result, the Council have removed this parking space to allow reasonable vehicle access to the property garage. No Stopping restriction (broken yellow lines) will be installed in its place.

The purpose of this resolution is to confirm the new restrictions on site.
