

## Option B

# Library Square and England Lane improvements

Artist impression: Option B - View from Karori Road into the new Library Square

**Option B** upgrades the existing Library Square into an attractive, comfortable and sheltered space that welcomes the public into the library and the café.

For this option we will reduce the slope of the ramp between the square and the community hub to improve the connection between the Library Square and the Community Centre, Arts and Craft Centre and Recreation Centre.

Features and improvements you can expect to see:

- A more comfortable, attractive and sheltered library square and street furniture.
- Improved pedestrian connection through to facilities such as the Community Centre, Karori Arts and Crafts Centre and the Events Centre due to reducing the steepness of the ramp.
- Improved entranceway to the Recreation Centre.
- New paving, planting and street furniture.
- Retaining the public toilets.
- Improved outdoor seating area for the café to better define their space.
