

# PROPOSED TRAFFIC RESOLUTION

**Reference:** TR 90-19

**Location:** Oriental Parade (Freyberg Pool & Fitness Centre Carpark) – Oriental Bay

**Proposal:** P240 Metered Parking & P240 Mobility Parking

**Information:** Freyberg Pool and Gym offer members a free parking permit so they can use the Freyberg carpark while they are at the gym or pool. Currently the parking permit has no time restriction so members can park for as long as they like for free. To improve the fair use of the limited parking available, the Council propose to introduce two hours free parking for Freyberg Pool or Gym members, with the option to pay for two more hours at a rate of \$2.50 per hour. Gym members will be required to validate their arrival in the member's area to receive two hours of free parking.

The change from P120 Metered parking and P120 Mobility to P240 Metered and P240 Mobility parking enables gym members and non-gym members to park for up to 4 hours at a time. This is in line with discouraging commuters from parking all day in this off street parking area and to facilitate parking for pool and gym users. It is noted that current on-road angled parking restrictions on Oriental Parade are metered (west of the entrance) and coupon with the first 2hrs free (east of the entrance).

Please note: The current parking resolutions will remain in place (legal/enforcement) until the new restrictions with the appropriate signs and markings are introduced.
