Reference: TR73-19

Location: Cuba Street - Wellington Central

Proposal: Metered mobility parking - displaying an operation mobility permit only, at all times, P120 Maximum

Information: The closures of the Michael Fowler and Central Library parking facilities have removed several mobility parking spaces in the vicinity.

WCC officers have identified several locations to alleviate the impact of the loss of mobility spaces.

One location is on the Cuba Street Shared Zone near the Michael Fowler Centre. Currently, there is one mobility park in the vicinity with the opportunity to add another one.

It is proposed to convert a standard metered park to a P120 metered mobility park.
